Common Guidelines for all Funding Sources

Targeted Maximum Awards	There are no maximum funding awards. Private Schools and Parent Teacher Club’s PTC’s, Preschools, Booster Clubs, etc. should submit <i>only one application per school site.</i>
Disqualification	The Grants Staff Liaison makes the final decision based upon the written materials submitted by your organizations. Applications submitted without required and complete documents will be disqualified.
Private Schools	Funds will not be made directly available for private schools (a private school is any school not under the exclusive control of the officers of the public schools; public charter schools are generally not private schools), unless it is clear that any benefit to a private school is, at most, merely an “incidental” or “indirect” effect, and the direct benefit is improving the quality of life for the citizens of Roseville. For example, a private school passing through funds to provide food security to its students who are citizens of Roseville has no real benefit to the private school itself, providing direct benefit, though, to our citizens.
Public Documents	All grants submitted to the City become public documents and are available to the public for review. If you would like a section or your entire application kept confidential, please mark the top of the application “CONFIDENTIAL” and the City Attorney’s office will review your request. Examples of documents that may qualify include those with reference to trade secrets or home addresses of Board Members. Staff will contact the applicant within 10 days of submittal of a request for confidentiality to provide a response to the request. If funds are awarded, each applicant will be required to enter into a grant agreement acceptable to the City Attorney’s Office prior to receiving the funds, and that grant agreement is a public document.
Roseville Business License	The Roseville Municipal Code requires anyone conducting business within the City of Roseville to have a current business license on file with the City of Roseville. This includes non-profits doing business or providing services in Roseville. Forms are available at the Finance counter in the Roseville Civic Center. The City of Roseville will waive the license fee for non-profit organizations however there is a \$1.00 State fee that will be collected. An active Roseville business license is required for a complete application. Applicants without a business license will be disqualified.

<p>State Prevailing Wage Laws</p>	<p>All Works of Improvement within the State of California that receive public funds in an amount greater than \$1,000 are subject to prevailing wage laws. Prevailing wage law was detailed in SB975 and became effective January 1, 2001. The law requires that any “construction, alteration, demolition, installation, or repair work done under contract and paid for in whole or in part out of public funds” must pay laborers the general prevailing wage rate. Grant applicants should read California Labor Code Sections 1771 and 1720 for more information regarding prevailing wage laws and refer to the State Department of Industrial Relations website at www.dir.ca.gov. Applicants are also encouraged to consult with their attorneys and/or accountants to ensure that the proposed project will include the documentation and resources to demonstrate compliance with state law.</p>
<p>Funding, Limitations and Reporting</p>	<p>The Grants Advisory Commission will make its recommendations in April 2025 with final action by the City Council no later than June 2025. Grant funds are expected to be available to successful applicants on or after July 8, 2025, following submittal of the signed Grant Agreement to the City Manager’s Office. Awards are made for one year only and in no way imply that funding will be awarded in subsequent years.</p> <p>Grant funds must be used for the purpose specified in the grant application. Grant funds are intended to supplement, not supplant funding or programs that already exist. All funds must be spent by June 30, 2026, or returned to the City. Final Reports should include details regarding project expenditures and results. Failure to provide a Final Report by August 31, 2026, will disqualify an applicant from the next funding cycle for which the applicant would otherwise be eligible</p>
