The following information will only be released to a prospective owner listed on a Request for Tenancy Approval form that has been submitted and signed by the voucher holder. Housing Choice Voucher regulations state that the Housing Authority must give a potential owner:

- The voucher holder's current and prior address (as shown in PHA records)
- The names and addresses (if known) of the voucher holder's current and prior property owners

Families that include a person with disabilities may request a list of accessible units.
