The Affordable Unit Listing shall also be updated to reflect those Units no longer qualifying as Affordable Units. “Affordable Unit Adjustment” means a reduction in the Assigned Maximum Special Tax for a Large Lot due to the assignment of Affordable Units to the Large Lot. No Affordable Unit Adjustment shall occur on Multi-Family Property, as the Assigned Special Tax for such property has already been adjusted to account for affordable units.

The amounts referred to in clauses (i) and (ii) of the preceding sentence may be reduced

in any Fiscal Year by: (i) interest earnings on or surplus balances in funds and accounts for the Bonds to the extent that such earnings or balances are available to apply against debt service pursuant to a Bond indenture, Bond resolution, or other legal document that sets forth these terms; (ii) proceeds received by CFD No. 1 from the collection of penalties associated with delinquent Special Taxes; and (iii) any other revenues available to pay debt service on the Bonds as determined by the Administrator.

“Unit” means (i) for Single Family Detached Property, an individual single-family detached unit, and (ii) for Single Family Attached Property, an individual residential unit within a duplex, triplex, fourplex, townhome, or condominium structure.

B. DATA FOR ADMINISTRATION OF THE SPECIAL TAX

On or about July 1 of each Fiscal Year, the Administrator shall identify the current Assessor’s Parcel numbers for all Parcels of Taxable Property within CFD No. 1. The Administrator shall also determine: (i) whether each Assessor’s Parcel of Taxable Property is Developed Property, Small Lot Tentative Map Property, Large-Lot Subdivision Map Property, or Undeveloped Property, (ii) for Parcels of Single Family Attached Property, the number of Units on each Parcel, (iii) for Non-Residential Property, the Acreage of each Parcel, and (iv) the Special Tax Requirement. For Single Family Attached Property, the number of Units shall be determined by referencing the Development Plan for the property.

In any Fiscal Year, if it is determined that: (i) a parcel map for property in CFD No. 1 was recorded after January 1 of the prior Fiscal Year (or any other date after which the Assessor will not incorporate the newly-created parcels into the then current tax roll), (ii) because of the date the parcel map was recorded, the Assessor does not yet recognize the new parcels created by the parcel map, and (iii) one or more of the newly-created parcels is in a different Land Use Class than other parcels created by the subdivision, the Administrator shall calculate the Special Tax for the property

affected by recordation of the parcel map by determining the Special Tax that applies separately to the property within each Land Use Class, then applying the sum of the individual Special Taxes to the Original Parcel or Successor Parcel that was subdivided by recordation of the parcel map.

If, in any Fiscal Year, it is determined that, based on building permits that have been issued, for-sale residential Units will be built within a structure constructed on a Parcel of Non-Residential Property, the Administrator shall determine whether (i) Units that have been or will be built on the Parcel will be offered for sale to individual home buyers, and (ii) a separate Assessor's Parcel number will be assigned to the airspace parcel associated with each Unit. Once separate Parcel numbers have been assigned to the residential airspace Parcels, the Administrator shall assign a Maximum Special Tax to the airspace Parcel for each residential unit. The Maximum Special Tax for the Base Year for such Units is \$500, which amount shall be increased each Fiscal Year thereafter by the Annual Tax Escalation Factor. The Administrator shall also tax commercial land uses on the Parcel using the Maximum Special Tax for the commercial uses within that Large Lot as shown in Attachment 2. The acreage to be used to calculate the Maximum Special Tax on the commercial uses shall be the full land area of the underlying Assessor's Parcel on which the residential and commercial land uses are located.

Upon recordation of each Final Map creating Single Family Detached Property and/or Single Family Attached Property, the Affordable Housing Director is to determine the number of Affordable Units included within the Final Map. As set forth in Sections C.3a, C.3b and C.3d below, once the Affordable Housing Director has designated the number of Affordable Units on each Parcel, the Administrator shall reduce the Maximum Special Tax for each Affordable Unit to fifty percent (50%) of the Maximum Special Tax that applies to the market-rate Units created by recordation of that Final Map. This reduction shall not be applied if the Administrator determines that the Expected Affordable Units have already been designated on other Parcels, and the designation of additional Affordable Units would reduce the CFD Maximum Special Tax Revenues. After May 1 of each Fiscal Year, the Administrator shall obtain the Affordable Unit Listing from the Affordable Housing Director to confirm which Parcels and Large Lots qualify for an Affordable Unit Adjustment in the following Fiscal Year.

C. CALCULATING THE MAXIMUM SPECIAL TAX

The Administrator shall apply the applicable subsection below to determine the Maximum Special Tax for each Parcel of Taxable Property within CFD No. 1:

1. Prior to Recordation of a Large-Lot Subdivision Map

Prior to recordation of a Large-Lot Subdivision Map, the Maximum Special Tax assigned to Original Parcels within the CFD shall be as follows:

Fiscal Year 2004-05 Assessor's Parcel Number	Fiscal Year 2004-05 Maximum Special Tax *
017-115-001	\$582,400
017-115-061	\$388,500
017-115-062	\$277,250
017-115-063	\$277,250
017-100-009	\$1,604,200
017-100-010	\$373,100
017-100-034	\$759,200
017-100-035	\$70,000
017-100-036	\$165,000
017-100-040	\$114,400
<i>* Beginning July 1, 2005 and each July 1 thereafter, the Maximum Special Taxes shown above shall be adjusted by applying the Annual Tax Escalation Factor.</i>	

If an Assessor's Parcel number shown above is changed, the Maximum Special Tax shall continue to apply to the Parcel to which it was assigned. If Parcels are reconfigured due to an action other than recordation of a Large-Lot Subdivision Map, the Maximum Special Tax shall be spread on a per-acre basis to all new Assessor's Parcels created by the reconfiguration.

2. *After Recordation of a Large-Lot Subdivision Map, Prior to Recordation of a Final Map*

The Maximum Special Tax assigned to each Large Lot expected at CFD Formation is identified in Attachment 2 of this RMA. If, upon recordation of the Large-Lot Subdivision Map for property within the CFD, it is determined that the actual boundaries of the Large Lots are different than that shown in Attachment 1, Attachment 1 shall be updated and the correct boundaries of each Large Lot shall be reflected in the attachment. If, at the same time changes are being made to Attachment 1, it is determined that the number of Buildable Lots, Acreage of Multi-Family Property, or Acreage of Non-Residential Property within a Large Lot has changed, the Assigned Maximum Special Tax for each Large Lot in Attachment 2 may, in the City's sole discretion, also be changed as long as the CFD Maximum Special Tax Revenues are not reduced. If the City determines that such an adjustment is needed, the adjustment shall be effective immediately after recordation of the Large-Lot Subdivision Map, after which time the Assigned Maximum Special Tax for each Large Lot shall be fixed for all future Fiscal Years, except as otherwise provided in Section D below. After both attachments have been updated, the Administrator shall record, or cause to be recorded, an amended Notice of Special Tax Lien that includes the revised attachments. If such an adjustment and recording takes place, the property owner that requested the adjustment shall bear the costs to effect the adjustment and prepare the required amendments to the Notice of Special Tax Lien and Attachments 1 and 2. Prior to approval of the adjustment, the City may require a deposit from the requesting property owner for the estimated cost to perform such adjustment.

Unless an adjustment is made pursuant to the prior paragraph, the Maximum Special Tax for property within a Large Lot shall be the Assigned Maximum Special Tax identified in Attachment 2

of this RMA. If there are multiple Assessor's Parcels within a Large Lot prior to recordation of a Final Map within the Large Lot, the Assigned Maximum Special Tax shall be allocated on a per-Acre basis to each Parcel of Taxable Property to determine the Maximum Special Tax for each Parcel. Upon recordation of the Large-Lot Subdivision Map, the actual boundary of each Large Lot may change slightly from that shown in Attachment 1; such change shall have no impact on the Assigned Maximum Special Tax for each Large Lot unless an adjustment is also made to the Assigned Maximum Special Tax as permitted in the paragraph above.

3. *After Recordation of a Final Map*

a. **Final Map Creating Buildable Lots of Single Family Detached Property Throughout Entire Large Lot**

If the Parcels created by a recorded Final Map within a Large Lot are all Buildable Lots of Single Family Detached Property, the Administrator shall apply the following steps to allocate the Assigned Maximum Special Tax for the Large Lot to each of the Buildable Lots created by the subdivision:

- Step 1:** Identify the Assigned Maximum Special Tax for the Large Lot for the then-current Fiscal Year.
- Step 2:** Divide the Assigned Maximum Special Tax from Step 1 by the number of Buildable Lots created by the Final Map to determine the Maximum Special Tax for each Buildable Lot.
- Step 3:** Determine if Affordable Units have been designated within the Large Lot by the Affordable Housing Director. If *yes*, each Parcel on which an Affordable Unit has been designated by the Affordable Housing Director shall be assigned one-half (1/2) of the Maximum Special Tax determined in Step 2, and all other Buildable Lots will be assigned the amount from Step 2 as the Maximum Special Tax for the Fiscal Year. If *no*, all Buildable Lots in the Final Map shall be assigned the Maximum Special Tax determined in Step 2.

b. **Final Map Creating Buildable Lots of Single Family Attached Property Throughout Entire Large Lot**

If the Parcels created by a recorded Final Map within a Large Lot are all Buildable Lots of Single Family Attached Property, the Administrator shall apply the following steps to allocate the Assigned Maximum Special Tax for the Large Lot to each of the Units that are expected to be built based on reference to the Development Plan for the Single Family Attached Property:

- Step 1:** Identify the Assigned Maximum Special Tax for the Large Lot for the then-current Fiscal Year.
- Step 2:** Divide the Assigned Maximum Special Tax from Step 1 by the number of Units expected to be built on the property within the Final Map to determine the Maximum Special Tax for each Unit.
- Step 3:** Determine if any of the Units have been designated as Affordable Units by the Affordable Housing Director. If *yes*, each Parcel on which an Affordable Unit has been designated shall be assigned one-half (1/2) of the Maximum Special Tax determined in Step 2, and all other Units will be assigned the amount from Step 2 as the Maximum Special Tax for the Fiscal Year. If *no*, all Units created within the Final Map shall be assigned the Maximum Special Tax determined in Step 2.

c. Final Map Creating No Buildable Lots of Single Family Detached Property or Single Family Attached Property

If none of the Successor Parcels created by recordation of a Final Map are Buildable Lots of Single Family Detached Property or Single Family Attached Property, the Administrator shall apply the following steps to allocate the Assigned Maximum Special Tax for the Large Lot to each of the Successor Parcels:

- Step 1:** Identify the Assigned Maximum Special Tax for the Large Lot.
- Step 2:** Determine the total Acreage of Taxable Property created by subdivision of the Large Lot.
- Step 3:** Divide the Assigned Maximum Special Tax from Step 1 by the Acreage from Step 2 to calculate Maximum Special Tax per acre.
- Step 4:** Multiply the per-acre Maximum Special Tax from Step 3 by the Acreage in each Successor Parcel to calculate the Maximum Special Tax for each Successor Parcel.

d. Final Map Creating Buildable Lots in a Portion of the Large Lot

If a Final Map records creating Buildable Lots within only a portion of a Large Lot, the Administrator shall apply the following steps to allocate the Assigned Maximum Special Tax for the Large Lot to each of the Successor Parcels:

- Step 1:** Identify the Assigned Maximum Special Tax for the Large Lot.

- Step 2:** Determine the number of Buildable Lots created within the Final Map area.
- Step 3:** Multiply the Buildable Lots from Step 2 by the “Base Tax Rate per Unit” shown in Attachment 2 for the Large Lot that has been subdivided by the Final Map to determine the Maximum Special Tax associated with the Buildable Lots created by the Final Map. The Base Tax Rate per Unit shall be used as the Maximum Special Tax for all Buildable Lots included in the Final Map, except Affordable Units (as designated by the Affordable Housing Director) which shall be set at one-half of the rate of Market Units within the Final Map.
- Step 4:** Subtract the Maximum Special Tax associated with the Buildable Lots as determined in Step 3 from the Assigned Maximum Special Tax for the Large Lot that was identified in Step 1.
- Step 5:** Subtract the Acreage of Taxable Property included within the Final Map from the total Acreage of Taxable Property in all Successor Parcels within the Large Lot that resulted after recordation of the Final Map to determine the Acreage of Taxable Property that is not included within the Final Map.
- Step 6:** Divide the remainder determined in Step 4 by the remainder determined in Step 5 to calculate the per-acre Maximum Special Tax that will apply to Taxable Property not included within the Final Map.
- Step 7:** Multiply the per-acre Maximum Special Tax from Step 6 by the Acreage in each Successor Parcel not included within the Final Map to calculate the Maximum Special Tax for each such Successor Parcel.

If, after subdivision of a Large Lot, a Successor Parcel is further subdivided, the Successor Parcel shall be treated as an Original Parcel for purposes of allocating Maximum Special Taxes pursuant to Section C.3c or C.3d, as appropriate.

After each reallocation of the Maximum Special Tax upon subdivision or reconfiguration of a Large Lot, the sum of the Maximum Special Taxes assigned to Successor Parcels shall never be less than the Assigned Maximum Special Tax for that Large Lot as shown in Attachment 2. Once a Maximum Special Tax has been assigned to a Parcel within a Final Map, the Maximum Special Tax shall not be reduced in future Fiscal Years regardless of changes in land use, Parcel size, ownership or Special Taxes assigned elsewhere in the Large Lot.

D. CHANGES TO THE MAXIMUM SPECIAL TAX

1. Annual Escalation of Special Tax

Beginning in Fiscal Year 2005-06, and each Fiscal Year thereafter, the Assigned Maximum Special Tax for each Large Lot shown in Attachment 2, and the Maximum Special Tax assigned to each Parcel of Taxable Property within the CFD, shall be adjusted by the Annual Special Tax Escalation Factor.

2. Affordable Units that Become Market-Rate Units

If, in any Fiscal Year, the Affordable Housing Director determines that a Unit that had previously been designated as an Affordable Unit no longer qualifies as such, the Affordable Housing Director shall update the Affordable Unit Listing by denoting the change in status of the Unit, together with the effective date thereof. The Maximum Special Tax on the Unit that no longer qualifies as an Affordable Unit shall be increased to double the amount that would have applied in that Fiscal Year if the Unit had remained as an Affordable Unit. In subsequent Fiscal Years, this increased Maximum Special Tax shall continue to escalate two percent (2%) per year.

3. Transfer of the Assigned Maximum Special Tax from One Large Lot to Another

The Assigned Maximum Special Taxes in Attachment 2 were determined based on the Expected Land Uses for each Large Lot. If the number of planned residential units or non-residential acreage is transferred from one Large Lot to another prior to recordation of a Final Map within any portion of the Large Lot, the City may, in its sole discretion, allow for a transfer of the Assigned Special Tax from one Large Lot to the other. Such a transfer shall only be allowed if (i) all adjustments are agreed to in writing by the affected property owners and the Finance Director, and (ii) there is no reduction in the CFD Maximum Special Tax Revenues as a result of the transfer. Should a transfer result in an amendment to Attachment Nos. 1 or 2 of the Notice of Special Tax Lien, the requesting property owner shall bear the costs to effect the transfer in the District records and prepare the required amendments to the Notice of Special Tax Lien and Attachment Nos. 1 and 2. Prior to the transfer, the City may require a deposit from the requesting property owner for such costs. If such a transfer is requested, the Administrator shall apply the following steps to redistribute the Maximum Special Tax among the Parcels:

Step 1: Determine the Maximum Special Tax associated with the land uses that will be transferred by multiplying the number of residential units or non-residential acreage by the "Base Tax Rate" identified for the units or acreage in Attachment 2 (escalated to the then-current Fiscal Year).

Step 2: Subtract the amount determined in Step 1 from the Assigned Maximum Special Tax for the Large Lot from which the units or acreage will be transferred to determine the new Assigned Maximum Special Tax for the Large Lot.

Step 3: Add the amount determined in Step 1 to the Assigned Maximum Special Tax for the Large Lot to which the units or acreage is being transferred to determine the new Assigned Maximum Special Tax for the Large Lot.

4. *Conversion of a Parcel of Public Property to Private Use*

If, in any Fiscal Year, a Parcel of Public Property is converted to private use, such Parcel shall be subject to the levy of the Special Tax. The Maximum Special Tax for each such Parcel shall be determined based on the average Maximum Special Tax per unit or acre for Parcels with similar land use designations, as determined by the Finance Director.

E. METHOD OF LEVY OF THE SPECIAL TAX

Commencing with Fiscal Year 2005-06 and for each following Fiscal Year, the Administrator shall determine the Special Tax Requirement for that Fiscal Year and levy the Special Tax on all Parcels of Taxable Property as follows:

Step 1: The Special Tax shall be levied proportionately on each Parcel of Developed Property within the CFD up to 100% of the Maximum Special Tax for each Parcel for such Fiscal Year;

Step 2: If additional revenue is needed after Step 1, the Special Tax shall be levied proportionately on each Assessor's Parcel of Small Lot Tentative Map Property within the CFD, up to 100% of the Maximum Special Tax for each Parcel for such Fiscal Year;

Step 3: If additional revenue is needed after Step 2, the Special Tax shall be levied proportionately on each Assessor's Parcel of Large-Lot Subdivision Map Property within the CFD, up to 100% of the Maximum Special Tax for each Parcel for such Fiscal Year;

Step 4: If additional revenue is needed after Step 3, the Special Tax shall be levied proportionately on each Assessor's Parcel of Undeveloped Property partially or wholly included within Phase 1 of Fiddymment Ranch, as identified in Attachment 1 hereto, up to 100% of the Maximum Special Tax for each Parcel for such Fiscal Year;

Step 5: If additional revenue is needed after Step 4, the Special Tax shall be levied proportionately on each Assessor's Parcel of Undeveloped Property partially or wholly included within Phase 2 of Fiddymment Ranch, as identified in Attachment 1 hereto, up to 100% of the Maximum Special Tax for each Parcel for such Fiscal Year;

Step 6: If additional revenue is needed after Step 5, the Special Tax shall be levied proportionately on each Assessor's Parcel of Undeveloped Property partially or wholly included within Phase 3 of Fiddymment Ranch, as identified in Attachment 1 hereto, up to 100% of the Maximum Special Tax for each Parcel for such Fiscal Year;

Step 7: If additional revenue is needed after Step 6, the Special Tax shall be levied proportionately on each Assessor's Parcel of Taxable Public Property, up to 100% of the Maximum Special Tax assigned to each Parcel.

F. COLLECTION OF SPECIAL TAX

The Special Tax shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided, however, that prepayments are permitted as set forth in Section H below and provided further that the City may directly bill, collect at a different time or in a different manner, and/or collect delinquent Special Taxes through foreclosure or other available methods.

The Special Tax shall be levied and collected until principal and interest on Bonds have been repaid, costs of constructing or acquiring authorized facilities from Special Tax proceeds have been paid, and all administrative expenses have been reimbursed. However, in no event shall a Special Tax be levied after Fiscal Year 2050-51. Under no circumstances may the Special Tax on one Parcel in the CFD be increased by more than ten percent (10%) as a consequence of delinquency or default in payment of the Special Tax levied on another Parcel or Parcels in the CFD.

G. EXEMPTIONS

Notwithstanding any other provision of this RMA, no Special Tax shall be levied on Public Property, except Taxable Public Property, as defined herein. In addition, no Special Tax shall be levied on Parcels that are not Public Property but are (i) designated as permanent open space or common space on which no structure is permitted to be built, (ii) owned by a public utility for use as an unmanned facility, or (iii) subject to an easement that precludes any other use on the Parcel. Notwithstanding the foregoing, if a Maximum Special Tax was assigned to a Parcel, and the entire Parcel ends up subject to one of the exemptions set forth above, the Parcel shall remain subject to the Special Tax levy until a prepayment is received that releases such Parcel from the Special Tax obligation.

H. PREPAYMENT OF SPECIAL TAX

The following definitions apply to this Section H:

“Outstanding Bonds” means all Previously Issued Bonds which remain outstanding, with the following exception: if a Special Tax has been levied against, or already paid by, an Assessor’s Parcel making a prepayment, and a portion of the Special Tax will be used to pay a portion of the next principal payment on the Bonds that remain outstanding (as determined by the Administrator), that next principal payment shall be subtracted from the total Bond principal that remains outstanding, and the difference shall be used as the amount of Outstanding Bonds for purposes of this prepayment formula.

“Previously Issued Bonds” means all Bonds that have been issued on behalf of the CFD prior to the date of prepayment.

“Public Facilities Requirements” means either \$56,000,000 in 2004 dollars, which shall increase on January 1, 2005, and on each January 1 thereafter by the percentage increase, if any, in the construction cost index for the San Francisco region for the prior twelve (12) month period as published in the Engineering News Record or other comparable source if the Engineering News Record is discontinued or otherwise not available, or such other number as shall be determined by the City to be an appropriate estimate of the net construction proceeds that will be generated from all Bonds that have been or are expected to be issued on behalf of CFD No. 1. The Public Facilities Requirements shown above may be adjusted or a separate Public Facilities Requirements identified each time property annexes into CFD No. 1; at no time shall the added Public Facilities Requirement for that annexation area exceed the amount of public improvement costs that are expected to be supportable by the Maximum Special Tax revenues generated within that annexation area.

“Remaining Facilities Costs” means the Public Facilities Requirements (as defined above), minus public facility costs funded by Previously Issued Bonds (as defined above), developer equity, and/or any other source of funding.

1. *Full Prepayment*

The Special Tax obligation applicable to an Assessor’s Parcel in the CFD may be prepaid and the obligation of the Assessor’s Parcel to pay the Special Tax permanently satisfied as described herein, provided that a prepayment may be made only if there are no delinquent Special Taxes with respect to such Assessor’s Parcel at the time of prepayment. An owner of an Assessor’s Parcel intending to prepay the Special Tax obligation shall provide the City with written notice of intent to prepay. Within 30 days of receipt of such written notice, the City or its designee shall notify such owner of the prepayment amount for such Assessor’s Parcel. Prepayment must be made not less than 75 days prior to any redemption date for Bonds to be redeemed with the proceeds of such prepaid Special Taxes. The Prepayment Amount shall be calculated as follows: (capitalized terms as defined below):

	Bond Redemption Amount
plus	Remaining Facilities Amount
plus	Redemption Premium
plus	Defeasance Requirement
plus	Administrative Fees and Expenses
less	<u>Reserve Fund Credit</u>
equals	Prepayment Amount

As of the proposed date of prepayment, the Prepayment Amount shall be determined by application of the following steps:

- Step 1.** Determine the Maximum Special Tax that could be collected from the Assessor's Parcel prepaying the Special Tax in the Fiscal Year in which prepayment would be received by the City.
- Step 2.** Divide the Maximum Special Tax from Step 1 by the CFD Maximum Special Tax Revenues for the Fiscal Year in which prepayment would be received by the City.
- Step 3.** Multiply the quotient computed pursuant to Step 2 by the Outstanding Bonds to compute the amount of Outstanding Bonds to be retired and prepaid (*the "Bond Redemption Amount"*).
- Step 4.** Compute the current Remaining Facilities Costs (if any).
- Step 5.** Multiply the quotient computed pursuant to Step 2 by the amount determined pursuant to Step 4 to compute the amount of Remaining Facilities Costs to be prepaid (*the "Remaining Facilities Amount"*).
- Step 6.** Multiply the Bond Redemption Amount computed pursuant to Step 3 by the applicable redemption premium, if any, on the Outstanding Bonds to be redeemed (*the "Redemption Premium"*).
- Step 7.** Compute the amount needed to pay interest on the Bond Redemption Amount starting with the first Bond interest payment date after which the prepayment has been received until the earliest redemption date for the Outstanding Bonds, which, depending on the Bond offering document, may be as early as the next interest payment date.
- Step 8:** Compute the amount of interest the City reasonably expects to derive from reinvestment of the Bond Redemption Amount plus the Redemption Premium from the first Bond interest payment date after which the prepayment has been received until the redemption date for the Outstanding Bonds.

- Step 9:** Take the amount computed pursuant to Step 7 and subtract the amount computed pursuant to Step 8 (the "***Defeasance Requirement***").
- Step 10.** Determine the costs of computing the prepayment amount, the costs of redeeming Bonds, and the costs of recording any notices to evidence the prepayment and the redemption (the "***Administrative Fees and Expenses***").
- Step 11.** If and to the extent so provided in the indenture pursuant to which the Outstanding Bonds to be redeemed were issued, a reserve fund credit shall be calculated as a reduction in the applicable reserve fund for the Outstanding Bonds to be redeemed pursuant to the prepayment (the "***Reserve Fund Credit***").
- Step 12.** The Special Tax prepayment is equal to the sum of the amounts computed pursuant to Steps 3, 5, 6, 9, and 10, less the amount computed pursuant to Step 11 (the "***Prepayment Amount***").

2. *Partial Prepayment*

A partial prepayment may be made in an amount equal to any percentage of full prepayment desired by the party making a partial prepayment, except that the full amount of administrative fees and expenses determined in Step 10 shall be included in the partial prepayment. The Maximum Special Tax that can be levied on a Parcel after a partial prepayment is made is equal to the Maximum Special Tax that could have been levied prior to the prepayment, reduced by the percentage of the full prepayment that the partial prepayment represents, all as determined by or at the direction of the Administrator.

I. INTERPRETATION OF SPECIAL TAX FORMULA

The City reserves the right to make minor administrative and technical changes to this document that does not materially affect the rate and method of apportioning the Special Taxes. In addition, the interpretation and application of any section of this document shall be left to the City's discretion. Interpretations may be made by the City by ordinance or resolution for purposes of clarifying any vagueness or ambiguity in this RMA.
