(j) The City will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter as the Underwriter may reasonably request in order for the Underwriter to qualify the Bonds for offer and sale under the "blue sky" or other securities laws and regulations of such states and other jurisdictions of the United States of America as the Underwriter may designate; provided, however, that neither the City nor the District shall be required to register as a dealer or broker of securities or to consent to service of process or qualify to do business in any jurisdiction where it is not now so subject. It is understood that such "blue sky" registration is the sole responsibility of the Underwriter.

(k) Any certificate signed by any authorized officer or employee of the City authorized to do so shall be deemed a representation and warranty by the City on behalf of the District as to the statements made therein.

4. **No Litigation.** There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending and served or threatened by or against the Developer: (i) in any way questioning the due formation and valid existence of the Developer; (ii) in any way contesting or affecting the validity of the Developer Documents or the consummation of the transactions contemplated thereby; (iii) in any way questioning or contesting the validity of any governmental approval of the District or any aspect thereof or (iv) which would have a material adverse effect upon the financial condition of the Developer or the ability to develop the District.

7. Developer's Financial Statements. The financial statements, if any, and other financial information submitted to the Underwriter are true, correct and complete in all material respects and fairly present the financial position of the Developer as of the date thereof. Re: \$22,095,000 City of Roseville Westpark Community Facilities District
No. 1 (Public Facilities) Special Tax Bonds, Series 2006

Ladies and Gentlemen:

We have acted as counsel to PL Roseville, LLC (the "Developer") in connection with (i) the proposed development known as Westpark (the "Development") to be located in the City of Roseville (the "City") as described in the Preliminary Official Statement (as defined herein), and (ii) the issuance and sale of \$22,095,000 City of Roseville Westpark Community Facilities District No. 1 (Public Facilities) Special Tax Bonds, Series 2006 (the "Bonds"). This opinion is rendered pursuant to Section 3 of the Purchase Agreement dated July 18, 2006 (the "Purchase Agreement") between the City, acting for itself and on behalf of the City of Roseville Westpark Community Facilities District No. 1; and Piper Jaffray & Co. and Stone & Youngberg LLC. Capitalized terms used herein without definition shall have the meanings set forth in the Purchase Agreement.

In rendering the opinions set forth herein, we have reviewed and examined such documents as we have determined to be appropriate, including the following documents:

- A. The Purchase Agreement;
- B. The Official Statement for the offer and sale of the Bonds dated July 18, 2006 (the "Official Statement");

C. The Development Agreement including the Amendments thereto, between Developer and the City related to the Development (collectively, the "Development Agreement");

D. A litigation search of Developer, dated _____, 2006 (the "Litigation Search"), conducted by _____, but without warranty as to the completeness and accuracy thereof due to the potential for errors or inaccuracies in the data and files made available to us from the applicable courts.

E. The Funding, Construction and Acquisition Agreement dated as of _____, 2005 and the supplement thereto dated _____, 2006, between Developer and the City (together, the "Acquisition Agreement" and together with the Development Agreement, the "Developer Agreements");

F. [The Articles of Incorporation for _____ dated as of _____, certified by the Secretary of State of the State of California on _____;]

G. [The Bylaws of the Developer certified by the Secretary of Developer to be the bylaws in effect on the date hereof;]

H. Resolutions of the Board of Directors of Developer dated _____, 2006;

I. Certificate of Good Standing for Developer, issued by the Secretary of State of the State of California on _____, 2006; and

J. The Developer Certificate provided by Developer to the City and Underwriter pursuant to Section 3 of the Purchase Agreement.

With respect to factual matters underlying our opinions herein, we have made no independent investigation or inquiry and have relied solely upon the Developer Certificate. We advise you that the phrase "to our knowledge," as used herein, means that no facts have come to our attention, based upon an inquiry of attorneys in this firm who devote substantive legal attention to Developer, or as a result of our examination of the Developer Certificate, that indicate to us anything contrary to the statement to which the phrase relates. Except as expressly set forth above, the phrase does not mean that we have conducted any investigation or inquiry or performed any other examination, or review. We have no reason to believe that any factual matters or assumptions relied upon by us are not true, correct and complete.

Our opinions herein are limited to the internal laws of the State of California and the federal laws of the United States of America. We express no opinion whatsoever with respect to the laws of any other jurisdiction and assume no responsibility for the applicability of such laws. In rendering our opinions herein, we have assumed the following, with your approval:

(i) The genuineness and authenticity of all signatures on original documents submitted to us (other than any signatures on behalf of Developer); the authenticity and completeness of all documents submitted to us as originals; the conformity to originals of

all documents submitted to us as copies; where any signature, other than any signature on behalf of Developer purports to have been made in a corporate, governmental, fiduciary or other capacity, the person who affixed such signature had the full power and authority to do so;

(ii) The due authorization, execution and delivery of the applicable agreements by the parties thereto, other than the Developer, and the legality, validity, binding effect and enforceability against such parties of their respective obligations under such agreements;

(iii) The truth, accuracy and completeness of all factual representations and warranties of all parties under the documents described in paragraphs A through J, above; and

(iv) The constitutionality or validity of a relevant statute, rule, regulation or agency action is not in issue unless a reported decision in the State of California has specifically addressed but not resolved, or has established, its unconstitutionality or invalidity.

Based upon the foregoing and in reliance thereon, and based on our examination of such questions of law as we have deemed appropriate under the circumstances, and subject to any further assumptions, comments, exceptions, qualifications and limitations set forth below, as of the date hereof, it is our opinion that:

1. Developer is a corporation duly incorporated and validly existing in the State of California and in good standing under the laws of the State of California. Developer is qualified to do business in the State of California.

2. The Developer Agreements have been duly authorized, executed and delivered by Developer, and constitute legal, valid and binding obligations of the Developer, enforceable against the Developer in accordance with their respective terms.

3. The execution and delivery by Developer of the Developer Agreements and the performance of its obligations thereunder will not conflict with or result in a violation of, or breach of or a default under, as applicable (a) the Articles of Incorporation or Bylaws of Developer, (b) to our knowledge, any indenture, mortgage, deed of trust, lease, note, commitment, agreement or other instrument to which Developer is a party, or by which Developer or its property is bound or (c) to our knowledge, of any order, rule or regulation of any court or other governmental body having jurisdiction over Developer, the conflict, violation or breach of which, in the case of clauses (b) or (c) would have a material adverse effect on Developer or the development, use, occupancy or operation of the Development or any material portion thereof.

4. To our knowledge, and otherwise based solely upon a review of the Litigation Search, there are no actions, suits or proceedings pending or threatened against Developer which, if determined adversely, would have a material adverse effect (a) on the ability of Developer to perform its obligations under the Developer Agreements

or (b) on the development, construction, use, occupancy or operation of the Development or a material portion thereof.

5. To our knowledge, the environmental review pursuant to the California Environmental Quality Act (Public Resources Code §§ 21000 et seq.) for the North Roseville Specific Plan for the property within the District and the Developer Agreements have been completed and the Notices of Determination with respect to such approvals (except for amendments to the Development Agreement and the Acquisition Agreement) have been filed and posted by the City in accordance with the requirements of the California Environmental Quality Act.

6. Without having undertaken to independently determine the accuracy, completeness or fairness of the discussion contained in the Preliminary Official Statement under the captions "THE DISTRICT," "THE IMPROVEMENTS," "OWNERSHIP OF PROPERTY WITHIN THE DISTRICT" and "SPECIAL RISK FACTORS" nothing has come to our attention which would lead us to believe that such discussion contains any untrue statements of a material fact or omits to state a material fact necessary to make the statements contained therein, in the light of the circumstances under which they were made, not misleading.

In addition, all of our opinions expressed hereinabove are specifically subject to and limited by the following:

(a) The effect of laws or court decisions relating to bankruptcy, insolvency, fraudulent conveyance, equitable subordination, reorganization, arrangement, moratorium or other laws or court decisions relating to or affecting creditors' rights generally.

(b) Limitations imposed by California or federal law or equitable principles upon the availability of the remedy of specific performance of any of the remedies, covenants or other provisions of any document or agreement and upon the availability of injunctive relief or other equitable remedies.

In addition, we express no opinion as to the title of the property within the District or any entitlements, permits, approvals or other assets relating to the Development.

This letter is intended solely for your use in accordance with the Purchase Agreement and may not be reproduced or filed publicly or relied upon for any other purpose by you or for any purpose whatsoever by any other party without the express written consent of the undersigned except that this Opinion may be copied and distributed as part of a closing book of the bond transaction documents, provided that such distribution shall not expand in any way the permitted uses of this letter. We assume no responsibility for the effect of any fact or circumstance occurring subsequent to the date of this letter, including without limitation, legislative or other changes in the law. Further, we assume no responsibility to advise you of any facts or circumstances of which we become aware after the date hereof, regardless of whether or not they may affect our opinions herein. This opinion is given as of the date hereof and we assume no obligation to update our opinions herein after the date hereof.

Very truly yours,

[COUNSEL]
