The City Council of the City of Roseville hereby establishes the following salary, benefits and other provisions related to the employment of the City's Management/Confidential employees during the period of January 1, 2024, through December 31, 2027.

SUMMARY OF CONFIDENTIAL DESIGNATION

The confidential designation of selected positions protects the confidentiality of the City's bargaining process and strategy, both in general contract negotiations and in day-to-day interaction with employee unions and associations. The employees who occupy positions designated as confidential serve as essential support members to the management team and their confidentiality is assured by their exclusion from any organized bargaining unit.

- B. Responsibility for processing paperwork relating to the disposition of union/association grievances, Skelly hearings, letters of reprimand, counseling memos, employee background checks, and other documents including those relating to all other forms of employee discipline.
- C. All non-management employees in the following departments are deemed to be confidential employees:
 - 1. City Attorney
 - 2. City Manager
 - 3. Human Resources
 - 4. Finance – Payroll only
 - 5. Administrative Assistants to all Department Heads

B. General Wage Increase

Effective the first full pay period in January 2025, the City shall provide a two and half percent (2.5%) increase to base wage for all employees designated as Management/Confidential.

C. Labor Market Adjustments

Effective the first full pay period in January 2026, salary increases shall be determined for employees classified as management or confidential based on a Total Compensation Study. The effective date of the Total Compensation Study survey data is July 1, 2025.

The Total Compensation Study will use the City market agencies and will be based on the same salary and benefit elements and methodology used in the 2023 Total Compensation Study for each classification, which include:

- Minimum Base Salary
- Maximum Base Salary
- Employee's Portion of PERS Paid by the Employer (%)

- Employee's Portion of PERS Paid by the Employer
- Deferred Compensation
- Longevity Pay (Year 10)
- Maximum Education/Certification Pay
- Education/Certification Pay Notes
- Cafeteria Plan
- Health (Most Expensive Plan)
- Dental
- Vision
- Life Insurance
- Long-Term Disability Insurance
- Retiree Health Savings Account (RHSA)
- Social Security/Medi-Care
- Employee Contributions Towards RHSA
- Employer Portion of Retirement Paid by the Employee

The City will provide a base salary increase for each Management/Confidential classification by the percentage the benchmark falls below the 55th percentile of the market total compensation, up to a maximum of 10%, on Salary Schedule A and Salary Schedule B, or the base hourly rate will be increased by two percent (2%), whichever is greater.

D. General Wage Increase

Effective the first full pay period in January 2027, the City shall provide a three percent (3%) increase to base wage for all employees designated as Management/Confidential.

E. Salary Schedule B

Salary Schedule B was created January 9, 2016 for classifications in the unrepresented management and confidential units where the total compensation was 5% or more above the median total compensation for benchmarked classifications in the surveyed jurisdictions. All other classification's top step in the new Salary Schedule B remained the same as Salary Schedule A.

Annual Merit Step Increases

1. All employees on Salary Schedule A in January 2016 will remain on Salary Schedule A for all listed classifications in the unrepresented management and confidential units. All such employees will continue on this salary schedule when promoted or transferred to other classifications.
2. Employees hired onto Salary Schedule B will continue on this salary schedule when promoted or transferred to other classifications. For purposes of this provision, any employee who was initially hired onto Salary Schedule A that had a break in City service and was rehired after implementation of Salary Schedule B in January 2016 will be placed on Salary Schedule B.

F. Salary Schedule B Salary Ranges: 10 steps

The Schedule B salary ranges are 10 steps, with 3 percent between salary steps, except for the difference between salary step A to B.

- G. This section supersedes Personnel Rule 3.11.030 C (1) only where salary Step A is paid upon initial employment, the employee shall become eligible for advancement to Step B upon their anniversary date, based on demonstrated satisfactory job progress and normal increased productivity. No salary

step advancement shall be granted unless recommended by the department head and approved by the City Manager.

- H. Bilingual Pay - employees certified by the Human Resources Department as Spanish speaking will be paid \$100.00 per month (\$46.15 bi-weekly). At the discretion of the Department Head and upon certification by the Human Resources Department, employees may be compensated \$100.00 per month for other languages used during the course of employment. However, \$100 per month bilingual pay is the maximum amount an employee may receive no matter how many languages he/she is certified to speak.
- I. A five percent (5%) differential will continue to be paid to management employees in engineering classifications (except Wastewater Utility Manager and Water Utility Manager who had their PE pay converted to salary in 2000) who possess a California Professional Engineer Certificate (PE) but whose position does not require such possession.
- J. Fire Battalion Chiefs will earn time and one-half overtime when covering a shift assignment.
- K. The Assistant Fire Chief, Fire Division Chiefs and Fire Battalion Chiefs (8 hour shift only) when acting in the capacity of the Battalion Chief (24 hour), will be paid at the Battalion Chief (24 hour) time and one-half rate.
- L. The Assistant Fire Chief, Fire Division Chiefs and Battalion Chiefs will receive the following certification pay:
 - a. Five percent (5%) of base pay bi-weekly for HazMat Technician or Specialist certification. HazMat certification must be maintained by attending the necessary trainings and proving competency through annual testing.
 - b. Two and half percent (2.5%) of base pay bi-weekly for possessing the requisite certificates for departmental rescue certification (possessing RS1, RS2, Confined Space Rescue, and Trench rescue certification). Rescue certification must be maintained by attending the necessary trainings and proving competency through annual testing.
- M. Police Lieutenants required to spend time as a peace officer or watch commander will be compensated at time-and-one-half rate for time spent in excess of their normal shift. The overtime rate is for SWAT, mandatory shift scheduling and additional watch commander shifts based on operational need where the employee is not serving in his/her regular management role.
- N. Assistant Fire Chief, Fire Division Chiefs and Battalion Chiefs working approved strike team/overhead assignments (i.e., Strike Team Leader, Line EMT, Overhead or other recognized positions) shall receive a five percent (5%) differential for any reimbursable incident. The differential shall apply from the time of deployment to the employee's return from the deployment (i.e., portal to portal).

Deployments through the Nevada-Yuba-Placer (NEU) Assistance by Hire Agreement, FEMA, and other entities in which the 5% differential is not reimbursed as part of the employee's pay are not subject to the 5% incentive.
- O. Upon approval of the City Manager, exempt fire management employees are eligible to work in state or federal service and are eligible for pay in excess of their regular salary as follows:
 - a. When assigned to state or federal service on a non-work day, the exempt employee shall receive one and a half (1 ½) times their regular rate of pay.
 - b. When assigned to work for another exempt employee who is working in state or federal service on a regularly scheduled workday, the exempt employee shall receive one and one-half times (1 ½) the regular rate of pay.

P. Reopener Provision:

The City may reopen the terms and conditions if any of the following occurs:

1. General Fund revenue declines, or is projected to decline, by two percent (2%) or more in one year or one percent (1%) per year over two (2) years. The contract can be reopened only after: (a) closing out the previous fiscal year, (b) receiving County property tax projections for the current fiscal year, and (c) the Finance Department revising revenue projections for the current fiscal year based on (a) and (b).
2. General Fund expenses increase by two percent (2%) or more, with no offsetting increase in revenue, based on unfunded mandates of the State of California or an agency of the State.
3. The Roseville electorate, by local ballot initiative, approves a limitation to the salaries of Roseville management employees.

The City shall identify Management/Confidential's proportionate share of any revenue shortfall.

In the event other revenues increase and exceed the amount of any lost revenue, the City will not exercise the reopener clause; however, any future increase in revenues must clearly offset general fund expenditures.

Q. Compensatory Time. Compensatory time shall be governed as follows:

1. Regular and probationary employees may, with the prior approval of their supervisor, accrue compensatory time in lieu of overtime pay. The accrual rate for compensatory time shall be one and one-half (1-1/2) hours for each hour of compensatory time worked.
2. Once an employee has been credited with compensatory time, the employee may not receive a lump sum payment for the hours accrued unless the employee is separated from City service.
3. Upon separation the employee will be paid at the employee's current hourly rate or average of last three (3) years whichever is higher for the remaining compensatory balance.
4. Maximum accumulation of compensatory time shall be one hundred (100) hours.

Employees with CTO balances above the maximum cap on January 1, 2022, shall be allowed to maintain said balances but shall not be allowed to accrue additional CTO hours until their balance drops below the cap.

5. The employee's immediate supervisor shall determine whether an employee shall accrue compensatory time or paid overtime. However, the supervisor shall not deny the request for compensatory time for arbitrary or capricious reasons.

R. Canine Support Handler.

The Police Department lead support canine handler will receive a stipend of \$500 per pay period while caring for the canine for the entire pay period. For any pay period where the lead support canine handler cares for the canine for less than the full pay period, the lead support canine handler will receive a \$35 stipend for each day caring for the canine for the majority of off-work hours. While not caring for the canine due to being off on vacation, leave, or otherwise not available during the pay period, the lead handler shall not receive handler compensation.

The Police Department secondary support canine handler will receive \$35 per day for each day that the secondary support canine handler cares for the canine for the majority of the off-work hours. Both

the lead and secondary handler shall not receive the stipend for the same day in the pay period. For days where the lead and secondary handler both care for the canine, the handler who possesses the canine for the majority of off-work hours shall receive the \$35 stipend.

The continuation of the Support Canine Program and support canine handler assignment is subject to the City Manager's sole discretion. This assignment may be terminated at any time, at the sole discretion of the Police Chief or the City Manager. The termination of the program and the canine support handler assignment is not subject to grievance or appeal.

The support canine handlers will be selected from volunteers by the Police Chief. The selection of the lead and secondary canine handlers is at the sole discretion of the Police Chief and is not subject to grievance or appeal.

- S. A five percent (5%) differential will be paid to management employees in Park Development Project Manager classifications who possess a Landscape Architect License but whose position does not require this license.

ARTICLE II. SALARY UPON PROMOTION

Any regular employee who is promoted to a position in a class with a higher salary range shall be placed in the step in the new salary range which represents at least a ten percent (10%) increase over the employee's current step. In the event that the new range does not have a step that is at least ten percent (10%) higher than the employee's current range, the employee shall be assigned to the highest step in the range. A promoted employee is assigned a new salary anniversary date effective on the date of the promotion.

ARTICLE III. DEFERRED COMPENSATION

The City shall maintain a program of deferred compensation for eligible employees. It is understood that the City is solely responsible for selection of the Deferred Compensation plan and plan administrator(s).

Effective the first full pay period in January of 2016, the City agrees to contribute one percent (1%) of the base salary into the city sponsored 457 deferred compensation plan for employees who have completed five (5) continuous years of regular employment with the City of Roseville.

Effective the first full pay period in January of 2017, the City agrees to contribute an additional one percent (1%) for a total of two percent (2%) of the base wages into the city sponsored deferred compensation plan for employees who have completed five (5) continuous years of regular employment with the City of Roseville.

Effective the first full pay period in January 2018, the City agrees to contribute an additional one percent (1%) for a total of three percent (3%) of the base wages into the city sponsored deferred compensation plan for employees who have completed five (5) continuous years of regular employment with the City of Roseville.

ARTICLE IV. WORKING OUT OF CLASS

Pursuant to Roseville Municipal Code Section 3.07.080, no employee shall be required to perform duties which are not closely related both in kind of work and in level of responsibility to duties formerly assigned to positions in the class, except on a short-term, temporary or emergency basis. However, if a supervisor assigns an employee to work out of class for four (4) hours or more, or one-half (1/2) shift or more, the employee shall be paid out of class pay equal to ten percent (10%) or top step of the higher class where there is not ten percent (10%) differential between the two classes.

Temporary Acting Pay

An employee temporarily assigned in writing to an acting position in a classification with a higher salary range shall be compensated for the duration of the acting assignment by the payment of ten percent (10%) of the regular salary the employee received prior to the acting assignment, or the salary provided for in Step A of the higher classification, whichever is greater, but not to exceed top step of the higher classification for all time worked and any leave time paid. The higher classified position must be temporarily vacant due to a long-term absence of the incumbent or pending the filling of a vacant position. The temporary acting pay assignment shall be for a minimum of two full-time pay periods and limited to one year. Authorization for a temporary acting assignment must be given by the employee's supervisor and requires advance approval of the Department Head, Human Resources Director and City Manager.

This section does not apply to regular employees whose positions are designated to act in the absence of the department, division or section head.
