CHAPTER 1. ADMINISTRATION

ARTICLE I. PREAMBLE

This Memorandum of Agreement, hereafter referred to alternatively as "the Agreement," "Memorandum of Understanding," or "MOU," entered into by the City of Roseville, hereafter referred to as "the City" or "the employer" pursuant to Section 3500, et seq. of the Government Code of the State of California and Resolution No. 72-55 of the City of Roseville, and the Roseville Police Officer's Association, hereafter referred to as "RPOA" or "the Association," has as its purpose the promotion of harmonious labor relations between the City and RPOA; establishment of an equitable and peaceful procedure for the resolution of differences; and the establishment of rates of pay, hours of work, and other terms and conditions of employment.

The term "Agreement" as used herein means the written agreement provided under Section 3505.1 of the Government Code.

ARTICLE II. RECOGNITION

Pursuant to the Meyers-Milias-Brown Act, the City recognizes the Roseville Police Officer's Association as the exclusive representative for all employees in the bargaining unit as provided by Chapter 3.17 of the City's Personnel Rules.

ARTICLE III. CONTINUATION OF BENEFITS

- A. This Memorandum of Understanding is intended both as the final expression of the agreement between the parties with respect to the included terms and as a complete and exclusive statement of the terms of this Memorandum of Understanding. No amendment, alteration, understanding, variation, waiver or modification of any terms of provisions of this Memorandum of Understanding shall in any manner be binding upon the parties unless made and executed in writing between the parties hereto and approved and implemented by the City Council or by its designee and as authorized by the City Manager.
- B. Terms and conditions of employment as specified in this Memorandum shall remain in full force and effect during the term of this Memorandum unless modified pursuant to the above paragraph.
- C. The parties agree that all applicable City Personnel Rules apply to the RPOA except for as expressly provided for herein.

ARTICLE IV. TERMS OF UNDERSTANDING

This Memorandum of Understanding incorporates all modifications regarding wages, hours, and other terms and conditions of employment. This Memorandum of Understanding shall be effective January 1, 2026 upon City Council approval and shall expire December 31, 2029.

ARTICLE V. SEVERABILITY OF AGREEMENT

This Memorandum of Understanding is severable. Should any provision of this Agreement be found unlawful or unenforceable by a court of competent jurisdiction, or invalidated by subsequently enacted legislation, the remainder of the Agreement shall continue in force. Upon occurrence of such an event, the parties shall meet and confer as soon as practical to renegotiate the invalidated provision(s).

CHAPTER 2. SALARIES AND OTHER COMPENSATION

ARTICLE I. SALARIES

A. Labor Market Adjustments:

Effective the first full pay period in January 2026 the following increase to base hourly rate shall be implemented for employees in the classifications listed below:

<u>Classification</u>	<u>A Schedule</u>	<u>B Schedule</u>
Police Officer	6.75%	6.75%
Police Sergeant	4.74%	4.74%

B. General Wage Increase 2027

Effective the first full pay period in January 2027, the classification salary schedules referenced in Appendix "G" shall be increased by two and one-half percent (2.5%) of base hourly rate.

C. Labor Market Adjustments (Effective the first full pay period in January 2028):

Base hourly rate salary increases shall be determined for employees classified as (1) Police Officer and (2) Sergeant based on a Total Compensation Study. The effective date of the Total Compensation Study survey data is September 1, 2027, and will include governing body approved and published compensation changes effective through December 1, 2027. Compensation changes from new labor agreements for comparable agencies, as listed in Appendix "Z", which are approved and published after September 1, 2027, will not be included in the Total Compensation Study.

The Total Compensation Study will use the agencies provided in Appendix "Z" for comparison and will be based on the same wage types and benefit elements and methodology used in the 2025 Total Compensation Study for each classification, which include:

- Minimum Base Salary Step
- Maximum Base Salary Step
- Employee's Portion of PERS Paid by the Employer (%)
- Employee's Portion of PERS Paid by the Employer
- Deferred Compensation
- Longevity Pay (Year 10)
- Maximum Education/Certification Pay
- Education/Certification Pay Notes
- Cafeteria Plan

The Total Compensation Study will be prepared at the City's expense and the City will provide a draft of the result of the Total Compensation Study to RPOA for comments and to review for

accuracy no later than October 15, 2027. The RPOA will provide any comments regarding the accuracy of the Total Compensation Survey no later than October 29, 2027. Effective the first full pay period in January 2028, the City will provide a base hourly rate increase for each classification falling below the 55th Percentile of the total compensation market by an amount to match the 55th Percentile market.

D. **General Wage Increase 2029**

Effective the first full pay period in January 2029, the classification salary schedules referenced in Appendix "G" shall be increased by two and one-half percent (2.5%) of base hourly rate.

E. **Salary Schedule B Salary Range: Police Sergeant Reduce from 10 steps to 7 steps**

Effective January 10, 2026, the Schedule B salary range for Police Sergeant will be reduced from 10 steps to 7 steps, using the same top salary step, retaining 3 percent between salary steps.

F. Reopener Provision.

The City may reopen this contract if the following occurs:

1. The City loses the ability to collect, levy or transfer to the general fund, lighting and landscape assessments or the four percent (4%) in-lieu fee from the City's various enterprise funds and the loss of these revenue sources exceeds \$1m; or
2. The Roseville voters by local ballot initiative approve the elimination or reduction of a revenue currently being levied or collected in the amount listed above.

The City and RPOA shall mutually agree to the manner in which reductions in expenditures are obtained to balance the City's General Fund. Any negotiation and implementation period shall not exceed sixty (60) calendar days.

The City will meet and confer over any impacts proposed due to a revenue loss. The City will also work closely with RPOA to mitigate the impacts of these revenue losses.

In the event the City's other revenues increase or exceed the amount of any lost revenue, levy or transfer to the General Fund, the City shall not reopen the MOU.

G. Effective the first full pay period in January 2016 or upon approval by the Council whichever is latest, all employees hired prior to the first pay period after City Council approval will remain on the current salary schedule (A) in Appendix G for all listed classifications. All such employees will continue on this salary schedule when promoted or transferred to other classifications.

H. Effective the first full pay period in January 2016 or upon approval by the Council whichever is latest, the City will create a second salary schedule (B) in Appendix G which will apply to new hires for all listed classifications in the bargaining unit. For purposes of this provision, any employee who was initially hired prior to the first pay period after City Council approval that had a break in City service and was rehired after the first pay period after City Council approval will be deemed a newly hired employee under this provision.

ARTICLE II. DIFFERENTIAL/TRAINING PAY

All persons who have been selected by the department to be a Field Training Officer (FTO) and complete the POST approved FTO course, shall be identified as an FTO, and any employee designated in writing to provide approved, formalized training to employees (to orient or train) shall receive a five percent (5%)

differential in base hourly rate as described below for each assignment. Employees are not eligible to receive both out-of-class pay and training pay at the same time.

A. The following parameters apply to FTOs qualifying for the differential/training pay:

Primary Field Training Officers:

The first FTO to bid for each patrol shift shall be designated as a Primary FTO. Any additional FTO that bids for the same patrol shift shall be designated as a Secondary FTO. A Primary FTO receives a five percent (5%) differential in base hourly rate for all hours worked for the entirety of the shift rotation, even when they have no assigned trainee.

Secondary Field Training Officers:

Secondary FTOs shall be defined as any FTO not designated as Primary. Secondary FTOs shall receive a five percent (5%) differential in base hourly pay only for hours worked when they are training an assigned trainee.

Academy Field Training Officers:

Training Officers assigned to monitor trainees in the Police Academy shall receive the five percent (5%) differential/training pay for the duration of the academy assignment. If the Training Officer is already receiving the differential/training pay for a Primary or Secondary Field Training Officer assignment and is assigned to monitor academy trainees, they only receive the differential/training pay for one assignment.

Field Training Sergeant

The Field Training Sergeant will be identified through an interview and selection process. The Field Training Program Sergeant assigned to supervise and oversee the Field Training Program will receive a five percent (5%) differential in base hourly rate for the duration of their assignment.

Evaluation as an FTO:

In addition to their annual performance evaluation from their immediate supervisor, FTO's will also be evaluated by the Field Training Program (FTP) Sergeant annually.

Removal from the Field Training Program:

Removal of an FTO from the FTP will be at the sole discretion of the Police Chief and reasons for removal may include:

1. An FTO transfers from the Operations Division or promotes to sergeant.
2. The FTO fails to meet the minimum qualifications and/or responsibilities established in the "Minimum Qualifications and Responsibilities" sections of the Field Training Program Policy.
3. An FTO who receives a sustained internal affairs complaint for excessive force shall be removed from the FTP and decertified for a minimum of (3) years in compliance with AB26.
4. The FTO receives formal discipline for an offense that could negatively impact a trainee directly and/or reflects poorly upon the FTP, the Police Department, or the City.
5. The FTO receives informal discipline or engages in a pattern of behavior that negatively impacts or could impact a trainee directly or reflects poorly on the FTP (e.g., discourtesy, dishonesty, or conduct unbecoming an Officer). The decision will be based on the totality of the circumstances and the recommendation of the Operations Captain and made by the Police Chief based on the recommendation of the Operations Captain.
6. The division captain, watch commander, patrol sergeant and/or field training supervisor can recommend in the yearly FTO evaluation to "not retain" an FTO in the Field Training Program's annual evaluation. This recommendation shall be accompanied with sufficient

documentation, as determined by the Police Chief, to support such action.

Prior to removal from the FTP, the Operations Captain may elect to place the FTO on a Performance Improvement Plan (PIP) for a minimum of three (3) months in order to give the FTO the opportunity to improve their FTO performance to an acceptable level.

When an FTO is removed from the FTP, they will no longer receive differential pay.

- B. The following parameters apply for employees to receive training pay for conducting formalized training:
1. A formalized training program (to orient or train) must be established for employees to be eligible for training differential pay.
 2. The formalized training must be pre-approved in writing by the Chief of Police or their designee.
 3. Employees providing formalized, pre-approved training during new hire training and on designated training days are eligible to receive training differential pay.
 4. Employees will receive a five percent (5%) training differential on base hourly rate only for the actual hours spent training.

ARTICLE III. EDUCATIONAL INCENTIVE

- A. The following employees shall receive the following noncumulative monthly educational incentive payments in consideration of the prescribed standards of educational achievement as indicated below:

Police Officer or Police Sergeant - AA Degree from an accredited college or university or POST Intermediate Certificate: five percent (5%) of base hourly rate.

Police Officer or Police Sergeant - BA degree from an accredited college or university or POST Advanced Certificate: twelve and one-half percent (12.5%) of base hourly rate.

For the purposes of defining achievement of a certificate, submission of the signed certificate application to California POST shall constitute proof.

- B. Educational incentive pay shall not be computed for payroll purposes such that the payment results in a supplement to the base hourly rate, particularly where it would have a compounding wage effect upon overtime and acting assignment compensation. Rather, educational incentive payments shall be included in bi-weekly payrolls and shall constitute a form of compensation separate and apart from any other form of compensation.
- C. Employees may not receive educational pay for both an AA degree/POST Intermediate Certificate and a BA/BS degree/POST Advanced Certificate; they are not cumulative payments and only one or the other qualifies for payment.

ARTICLE IV. SERVICE TERM BONUS

1. In recognition of the substantial contribution to the community made by employees as a result of the length of their aggregate City service, the City shall annually award each applicable employee hired prior to January 1, 2016, a service term bonus pay as indicated below.

<u>Service Term</u>	<u>Service Term Bonus</u>
Beginning of 10th year to completion of 14th year	2.5% of base hourly rate
Beginning of 15th year and every year thereafter	5.0% of base hourly rate

The Service Term Bonus shall not exceed five percent (5.0%).

Effective February 17, 2007, for employees hired before January 1, 2016, the following pays will be calculated with this Service Term Bonus and reported to CalPERS as special compensation if applicable:

Out-of-Class
Training Pay
Standby

Service term pay shall be included on each eligible employee's bi-weekly payroll.

The service term pay is to be considered as part of an employee's total compensation. The maximum cost of the service term pay shall be used when calculating total compensation for the purpose of comparing salaries and benefits of the City to other benchmark agencies.

2. Employees hired on or after January 1, 2016, who receive a satisfactory or above annual performance review shall be paid a bi-weekly lump sum performance bonus as follows:

<u>Service Term</u>	<u>Performance Bonus</u>
Beginning of 10th year to completion of 14th year	2.5% of the base hourly rate
Beginning of 15th year and every year thereafter	5.0% of the base hourly rate

The lump sum service term performance bonus shall be paid with the first full paycheck following an employee's anniversary date as long as the employee maintains at least a satisfactory or above annual performance review and does not receive a Performance Improvement Plan (PIP).

ARTICLE V. COURT APPEARANCE

A. Standby

Employees who are off duty (excluding sick leave days off or Workers' Compensation leave) and receive a subpoena where they are placed into an "on-call" status for a court appearance, shall receive standby pay of two (2) hours pay at their overtime rate.

In the event the employee is notified of a cancelled court appearance based on the notification provisions below, the employee shall not be entitled to any standby pay. If an employee is scheduled to appear in court within two (2) hours of the time he/she is to report for duty and the appearance is cancelled, the employee will receive standby pay only up to the time he/she is to report for duty. In no way will the employee's eligibility for standby pay and actual work hours overlap.

For multiple same day subpoenas, where standby is required, an employee is entitled to receive standby pay in accordance with this Article when the employee has subpoenas for the morning

(0800-1200 hours) and afternoon (1300-1700 hours). When one or both subpoenas are cancelled, standby shall be paid for both subpoenas so long as appearance times do not overlap, unless the employee is notified prior to 1230 hours in reference to any cancellation of the afternoon subpoena, in which case there would be no standby pay for the afternoon.

The required notification for this provision shall be one of the following:

1. Notice in person or by telephone to the employee including messages left on telephone voicemail.
2. Electronic communication to the employee's assigned City e-mail address.

B. Off Duty

Employees who are off duty and are required to make a court appearance shall be entitled to a minimum of four (4) hours of overtime pay for court appearances plus thirty (30) minutes of travel time for appearances outside of Roseville. Employees who begin a regular or other work shift within four (4) hours of their required court appearance time will be compensated hour-for-hour for time spent in court prior to the beginning of their work shift. If, during the four (4) hours an employee is required to report to a regular or other work shift, the court pay will terminate. In no way will court time pay overlap with a regular or other work shift. If the court schedules an employee for a second appearance on a subpoena, the employee will receive hour-for-hour pay on the second appearance as long as the court time does not fall within the employees regular work schedule. For multiple same day subpoenas, an employee shall receive four (4) hours of compensation for an a.m. appearance and an additional four (4) hours of compensation for a p.m. appearance so long as court is not cancelled and the court time does not overlap with the employee's regular work schedule. Finally, where there is a separation between the conclusion of the court appearance and the beginning of an employee's regular shift, the employee shall be eligible for four (4) hours of compensation.

- C. Employees attending court shall not be compensated for the lunch recess.
- D. Employees shall not be eligible for meal reimbursement during or for court appearances except in the case when a court appearance occurs on an employee's day off and the appearance is continued through the court lunch break. In this case the employee shall be reimbursed for the actual cost of the meal not to exceed ten dollars (\$10.00). Each reimbursement request must be accompanied by a receipt.
- E. Employees who are scheduled for, and participate in, DMV telephone hearings outside of their scheduled workshift shall receive two (2) hours of compensation at the overtime rate. DMV hearing pay shall terminate when the hearing overlaps into the employee's scheduled work shift.

ARTICLE VI. OVERTIME

- A. **FLSA Overtime**: The Plan will operate under the exemption from overtime provided by Section 7(k) of the Fair Labor Standards Act, 29 United States Code Section 207(k). The specified work period is twenty-eight (28) days for 4/11 - 3/11 shift schedules. Under the 207(k) exemption, officers must work over 171 hours in the 28 day work period to be eligible for FLSA overtime. Consistent with existing pay practice, however, and to provide the officers with a regular recurring source of income more frequently than would be the case should the pay period be extended to twenty-eight (28) days, the parties agree that the pay periods shall continue at the current fourteen (14) day intervals. The City will maintain a 7 day FLSA work period for 40- hour work week employees.

The City will implement an FLSA compliant dual calculation formula for calculating City overtime liability as soon as administratively feasible. The parties agree that an FLSA compliant dual

calculation formula permits an employer to meet its FLSA overtime obligations by paying nonexempt employees the greater of any overtime owed under the FLSA or any overtime owed under the parties' MOU.

- B. Officers assigned to eleven (11) hour workdays will receive overtime pay at one and one-half times their base hourly rate for all hours worked over regularly scheduled hours in the pay period (or may elect compensatory time off in accordance with the current MOU).
- C. Overtime work may be required of any employee in order to meet special or unusual needs of service beneficial to the City and community. However, no employee may be required to work overtime during any scheduled work week in which he/she is on unpaid status due to disciplinary action. Overtime is defined as the number of hours worked in excess of the normal weekly schedule of work hours as illustrated below:

<u>Employee Work Schedule</u>	<u>Overtime</u>
Eight hours per day, five days per week	Over forty hours in a week (5/8 plan)
Ten hours per day, four days per week	Over forty hours in a week (4/10 plan)
Flex-time approved by the City Manager in writing	Over the prescribed hours per week

Workers' Compensation, Union Time Bank, and Jury Duty leave hours are not to be considered to be hours worked for overtime purposes.

- D. Incidental overtime, defined here as less than eight (8) minutes nonrecurrent extension of the workday/shift, is not compensable in any form.
- E. Overtime shall be compensable in increments of fifteen (15) minutes.
- F. Overtime shall be compensable at the rate of one and one-half (1 ½) times the employee's base hourly rate.
- G. Shift Extension. If an employee is called to work early or is worked beyond his/her normal work shift, compensation for overtime shall be calculated in accordance with Subsection C of this section.
- H. Shift Change:
To qualify for the below provisions, a shift change must result in less than twenty-four (24) consecutive hours off. Shift changes which exceed twenty-four (24) hours off and shift changes for purposes of training, or the transfer of probationary employees enrolled in the field training program shall not be eligible under this provision.

5/8 Schedule: Employees required to work more than five (5) consecutive shifts as a result of a shift change shall receive overtime on the sixth and succeeding consecutive shifts worked.

4/10 Schedule: Employees required to work more than four (4) consecutive shifts as a result of a shift change shall receive overtime on the fifth and succeeding consecutive shifts worked.

11 Hour Schedule:
Employees required to work more than four (4) consecutive shifts during their eleven (11) hour shift week as a result of a shift change shall receive overtime on the fifth and succeeding consecutive shifts worked.

- I. Compensatory Time Off (CTO). Compensatory time off shall be governed as follows:
1. Regular and probationary employees may accrue compensation time off in lieu of overtime pay. The accrual rate for compensatory time off shall be one and one-half (1 ½) hours for each hour of compensatory time worked.
 2. Once an employee has been credited with compensatory time off, the employee shall either take the CTO or shall be paid for all hours accrued. Employees requesting payment for accrued CTO hours shall be paid by the next full pay period from the date requested.
 3. Upon separation the employee will be paid at the employee's current base hourly rate or average of last three (3) years whichever is higher for the remaining compensatory balance.
 4. Maximum accumulation of compensatory time shall be reduced as follows:
 - a. Effective January 1, 2019, the maximum accumulation of CTO shall be two hundred and forty (240) hours;
 - b. Effective January 1, 2020, the maximum accumulation of CTO shall be two hundred (200) hour; and
 - c. Effective January 1, 2021, the maximum accumulation of CTO shall be one hundred and sixty (160) hours.
 - d. Employees with CTO balances above the maximum cap on January 1, 2019 shall be allowed to maintain said balances but shall not be allowed to accrue additional CTO hours until their balance drops below the cap identified above that respective year.
 - e. Employees at or below a CTO balance of 200 on January 1, 2019 shall be covered under subsection 4b of this Article and shall be capped at 200 hours. Employees at or below a CTO balance of 160 on January 1, 2019 shall be covered under subsection 4c of this Article and shall be capped at 160 hours.
 5. The City and Department agree that an employee's CTO request will generally be granted, unless granting the CTO would provide undue disruption to operation of the Department as determined by the Chief of Police or designee, including if it would result in below recommended minimum staffing levels on any shift. If the CTO request is for less than forty (40) hours and the employee provides at least fourteen (14) days' notice for the request, the Department agrees to grant CTO leave on the specific date requested even where backfilling on overtime is required unless granting the CTO would provide an undue disruption to operation of the Department as specified herein. If the CTO request is for more than forty (40) hours and the employee provides at least twenty-eight (28) days' notice for the request, the Department agrees to grant CTO leave on the specific date requested even where backfilling on overtime is required unless granting the CTO would provide an undue disruption to operation of the Department as specified herein.
 - a. Each shift shall be treated and considered separately.
 - b. Granting the CTO shift, as set forth in subparagraph 1, shall apply to requests issued after shift bidding. Requests for CTO leave prior to shift bidding shall be granted at the discretion of the Chief of Police or designee.
 - c. The employee requesting the use of CTO shall generally be notified as to whether the request has been granted by the end of his/her shift, or within a reasonable amount time thereafter. If an employee requests to use CTO on multiple shifts where other circumstances delay the Department's ability to grant

or deny the request immediately, the Department shall notify the officer of whether the request is granted within a reasonable amount of time.

If within one year of employee's request, the time off has not been granted, upon the employees request to payroll, the City shall cash-out the amount of the CTO requested.

- d. Supervisors may grant CTO requests at their discretion where granting the leave may require the Department to backfill for overtime.
 - e. The Department agrees to grant CTO leave on the specific date requested even where backfilling on overtime is required, if the Department is unable to grant the employee CTO leave within fourteen (14) calendar days of the date the leave is requested. If the CTO request is for more than forty (40) hours, the number of calendar days to provide alternative leave dates shall be extended by twenty-eight (28) days for each additional block of forty (40) hours.
- J. Employees assigned to shift work whose regular work schedule requires work on a holiday shall be compensated at their base hourly rate for performance of work on holidays. Compensation for holidays worked for such employees shall be as set forth in this Agreement.
- K. Employees who are entitled to take holidays off work as holidays occur, and who are required to work on a holiday when they would otherwise observe the holiday off, shall be compensated by either of the following methods, the choice of which shall be made by the employee's supervisor in advance of such work:
- 1. If an employee works the holiday and does not receive any other scheduled work day off in lieu of working the holiday, the employee shall be compensated at the base hourly rate plus time and-one half the employee's base hourly rate (for the actual number of hours worked on the holiday).
 - 2. If an employee works the holiday and receives another scheduled work day off in lieu of working the holiday, the employee shall be compensated at the rate of time and one-half the employee's base hourly rate for the actual number of hours worked on the holiday.
- L. July 4th Holiday Overtime: Employees who are not scheduled to work on the July 4th holiday, who volunteer or are forced to work the Fireworks Special Enforcement Detail, shall be compensated at two times (2.0) the employee's base hourly rate. The number of volunteers needed and determination of coverage needs on the day before, day of, or day after the July 4th holiday, is at the final discretion of the Police Chief and City Manager.

ARTICLE VII. STANDBY

The City agrees to the following standby provision concerning represented employees.

- A. Standby assignments for all employees, except those in the classification of Crime Suppression Sergeant, will be made on a weekly basis. Police Officers and Police Sergeants assigned to a weekly standby (Saturday through Friday) will be compensated at a rate of eleven (11) hours base hourly rate per week. Employees in the classification of Crime Suppression Sergeant will be on standby throughout the year and will receive 5 (five) hours of base hourly rate per pay period.
- B. Such payment shall be in addition to the overtime payments, which may be payable for call backs, pursuant to City Personnel Rules and Regulations. An employee on standby may be authorized to take a City vehicle home, provided the employee lives within 35 miles of driving distance of the Roseville Police Station, as verified by a commonly used navigation App or website, as determined by the Chief of Police. Exceptions to the 35-mile distance limit may be

made at the discretion of and based on prior written approval of the Department Head and the Human Resources Director. Take-home vehicles are prohibited from being used for personal use and are provided at the Chief of Police's sole discretion, based on business and operational need.

- C. Employees shall be provided a communication device when assigned to standby.
- D. Employees are expected to respond to call backs as soon as possible but minimally within one (1) hour of notification.
- E. The department shall make standby assignments voluntary whenever practical.
- F. The City reserves the right to schedule standby as needed.

ARTICLE VIII. CALL BACK

Pursuant to Sections 3.12.040 of the City's Personnel Rules call back shall be governed as follows:

All regular and probationary employees are entitled to a minimum call back pay of two (2) hours at the appropriate overtime rate when said employee is required to return to work after leaving the work site at the end of their scheduled work shift or required to return to work on their scheduled day off. This provision does not apply when (i) employees are required to work beyond their normal work day/shift without having been called to return to work or (ii) when an employee is called in to work prior to the start of their work shift and the employee continues to work into their normal shift without having been released to go home.

ARTICLE IX. TAKE HOME VEHICLE

employee will earn and accrue vacation hours pursuant to the accrual schedule as noted in Section B. Exceptions to this provision shall only be granted in unusual circumstances substantiated by the department head in a recommendation to the City Manager, who may approve or disapprove such variances.

- B. Accrual. Unless specified in applicable labor agreements, each full-time eligible employee identified in subsection A shall earn and accrue vacation leave, subject to the conditions stated in this section, with pay as follows:

Service Category	Biweekly Accrual	Days/Year Equivalent	Max. Hours Accrual

Eligible employees shall advance to the next higher rate of accrual upon completion of the maximum number of years at the lower accrual rate, and shall begin to accrue at the higher rate at the start of their qualifying year.
3. Except as provided in Section B, an employee's maximum accrual of vacation hours may not exceed the employee's annual accrual rate as specified above and an employee will stop earning and accruing vacation hours while the employee's accrual remains at the maximum allowed under this Section B. This maximum level is monitored at the employee's hire anniversary date. If accrued hours exceed such amount as of the hire anniversary date, vacation accrual will be suspended until the balance is brought below the maximum accrual amount.
4. If the accrued amount exceeds specified limits, the employee shall take leave for the excess number of vacation hours or, if the department head determines that operational necessity will not permit taking such leave, the employee may be paid the base hourly rate for not more than twenty (20) hours. Additionally, the maximum vacation hours an employee may accrue will be extended when an employee is on disability leave, jury duty, or military leave as provided in these rules. The employee shall be allowed to liquidate such excess accrual within thirty (30) calendar days following return to duty, by means of taking such leave time or receiving base hourly rate compensation for not more than twenty (20) hours of vacation.

- C. Use. However, the dates and amount of vacation selected by the employee shall be subject to approval of the employee's supervisor. Vacation leave shall generally be taken in minimum increments of one full workday/work shift, except that

Employees must request vacation leave at least seven (7) workdays prior to the desired start of vacation leave. Under unusual or personal emergency circumstances, employees may request and supervisors may consider the approval of vacation leave with fewer than seven (7) working days' notice. In the event it becomes necessary to call an employee back to work from a scheduled vacation, the employee shall be credited with the unused vacation hours and shall have the opportunity to take such remaining vacation leave at a time of the employee's choosing and the supervisor's approval.

- D. **Holidays Within Vacation Leave.** Except for shift personnel in police, fire and the water/wastewater and power plants, holidays which occur during a scheduled vacation period shall be counted as a holiday. Employees may request in advance that they extend their vacation leave by the number of holidays occurring within their scheduled leave, or they may request fewer vacation hours which, together with the holiday(s), will comprise the total time period of their scheduled leave.

A. General

The objective of this section is to provide methods of furthering the health and general welfare of City employees, as well as ensuring maximum and reasonable job attendance. Sick leave should not be viewed as a right to be used at the employee's discretion, rather it is a privilege of paid time away from work duties in the event of one of the following circumstances:

1. Actual illness or injury of the employee that occurred away from the job setting, except where such injury/illness occurred in connection with off-duty(outside) employment;
2. The employee's exposure to a contagious disease;

total of which shall not exceed twelve (12) days or six (6) shifts in any twelve (12) month period. Sick leave may be used for those purposes listed above. Employees on a modified schedule work assignment shall accrue sick leave on a pro rata basis of hours worked. Maximum accumulation of sick leave shall be unlimited. Employees may be granted sick leave in minimum units of one-half (1/2) hour for those reasons specified in Subsection "A" of this section, provided that such time has been earned. Department heads may require probationary employees to support each incident of sick leave use by verification of an attending physician's statement of bona fide injury/illness. Employees shall not use sick leave for disabilities determined to be job-related, except as provided for in Roseville Municipal Code Section 3.12.100, nor shall employees be allowed to use sick leave for the sole purpose of utilizing such accrued time prior to separation from service.

C. Illness/Injury During Vacation

An employee who becomes ill or injured while on vacation may have such period of illness/injury charged to the employee's accumulated sick leave rather than vacation, provided that: immediately upon return to duty, the employee submits to the department head a written request for sick leave, accompanied by a signed statement from the employee's attending physician describing the disabling nature and dates of such illness/injury.

D. Holidays During Sick Leave or Disability

Observed holiday occurring during sick leave shall not be counted as a day of sick leave or disability, but shall be regarded as the taking of a holiday.

All regular employees will be granted up to five (5) days of sick leave, vacation, personal leave time, or CTO for each such instance to:

1. Attend the funeral of an immediate family member (as defined by the City's Personnel Rules Section 3.00.420), grandparents, grandchildren, or in-laws.
2. Deal with matters related to the death, or critical illness where death appears imminent of any member of the employee's immediate family.

The days of leave do not need to be consecutive and shall be completed within three months of the date of death of the family member. The department head may request the employee provide documentation of the death of the family member within 30 days of the leave.

Requests for funeral and bereavement leave for more than five (5) days shall be evaluated by the employee's department head to determine the appropriate amount of additional leave, up to a maximum total leave of up to sixty-four (64) hours, to be granted in each instance.

F. Payment for Unused Sick Leave Upon Retirement

Payment for unused sick leave is authorized by the City as a means of rewarding employees who have made conscientious efforts to maximize their attendance on the job.

1. Non-probationary employees in the classified service, shall be entitled payment for sick leave accrued (not pro rata) up to their retirement. However, employees whose separation is caused by dismissal shall not be entitled to payment for unused sick leave.
2. No more than the maximum sick leave amount listed in the tables below may be used in ascertaining the amount of time for which the employee will be compensated at time of retirement.

Employees will receive payment for unused sick leave as follows:

5. The costs of this benefit will be included when calculating total compensation and the survey agencies used for the salary comparisons shall remain the same as listed in Appendix "Z".

ARTICLE II. HEALTH AND WELFARE

A. Eligibility

Any regular employee working fifty percent (50%) or more of a full-time schedule shall be eligible to enroll in any health and welfare benefit provided by this Article and currently authorized by the RPOA bargaining unit. Regular part-time employees who are hired into a position funded as regular part-time after January 1, 2005, or current employees who laterally transfer or promote into a regular part-time allocated position, will receive a pro-rated amount toward their health and welfare contribution based on actual hours worked. The contribution amount will be based on the percentage of full-time the employee works. For example, employees working twenty (20) hours per week will receive fifty percent (50%) of the full-time contribution; employees working thirty (30) hours per week will receive seventy-five (75%) of the full-time contribution, etc.

B. Medical Insurance Benefits

The City contracts with the California Public Employees' Retirement System (CalPERS) for the purpose of providing employees and their eligible dependents with medical insurance benefits. The City's maximum monthly contribution for each eligible active employee shall be equal to the minimum employer contribution required under the Public Employees Medical and Hospital Care Act (PEMHCA).

C. Cafeteria Plan

1. The City shall provide a Cafeteria Plan, pursuant to Section 125 of the Internal Revenue Code or any related regulations, for the purpose of providing employees with access to various health and welfare benefits. Benefits available through the Cafeteria Plan include medical insurance, dental insurance, vision insurance and Long Term Disability (LTD) insurance.
2. Effective December 1, 2018, the City provides a Cafeteria Plan Allowance to all employees eligible to participate in City sponsored health and welfare benefits under Section A of this Article of up to \$1,347 monthly (less the direct PEMHCA payment provided in paragraph B) for the term of the Agreement to offset medical, dental, vision and LTD premiums for represented employees.

3. Effective January 1, 2026, the City provides a flex plan credit to be used by active employees based on medical plan tier election (EE only, EE+1, Family) for any benefit covered under the Cafeteria Plan, as follows:

Active Employee Medical Election Tier	City Flex Plan Credit (combined with the Cafeteria Plan Allowance) covers:
Employee Only	Up to 100% of the Kaiser employee only premium, plus \$180 for dental/vision.
Employee & 1 Dependent	Up to 85% of the Kaiser employee plus one dependent premium, plus \$180 for dental/vision.
Employee & 2+ Dependent	Up to 80% of the Kaiser family premium, plus \$180 for dental/vision.

4. Employees who elect not to participate in any of the medical, dental, vision or LTD insurance benefits sponsored by the City and who provide proof of other medical coverage will not receive any Cafeteria Plan Allowance under Section C(2) of this Article. Instead, employees who opt out of these City-sponsored benefits shall receive \$150 per month reported as taxable income. Employees will not receive any cash in lieu when on unpaid leave.
5. Employees in this bargaining unit who were married to another regular City employee before October 1, 2024, and both City employees were hired prior to January 1, 2019, will have the following benefit, provided they are eligible pursuant to personnel rule or memorandum of understanding. Employee one may choose medical coverage. Employee two may apply the difference under this provision for out-of-pocket expenses from Employee one toward the cost of the medical coverage and shall not be eligible for the opt out provision in Section 4, above. The example below provides the model for the calculation of this provision on January 1, 2014:

Kaiser Plan (Family) Example:	\$1,772
City Contribution	- \$1,368
Out-of-pocket Cost to Employee	\$ 404

In this example, the spouse or domestic partner opting out of the cafeteria plan would receive \$404 per month. The amount of the out-of-pocket cost to employees may fluctuate due to medical premium and City contribution increases. Any RPOA member that was eligible but did not activate this benefit before October 1, 2024, shall not be eligible for the benefit after October 1, 2024.

6. Any Cafeteria Plan Allowance provided for under Section C(2) of this Article can only be used by an employee to offset the cost of participation in City sponsored medical, dental, vision, and LTD insurance benefits for the employee and any eligible dependents.

Employees hired on or after January 1, 2005 and prior to March 1, 2014, to be eligible to receive post-retirement health benefits, an employee must complete at least five (5) years of CalPERS-credited service with the City of Roseville. Employees who retire from the City of Roseville after meeting the service requirement stated above and who have at least ten (10) years of CalPERS-credited service shall receive a City contribution towards their post-retirement health benefits as follows:

Employees assigned to special duty shall be assigned their normal schedule (i.e. 4/10). However, assignment of days off and/or shifts shall be at the discretion of the department.

B. School Resources Officers are required to work a 9/80 schedule.

C. Rest Period. Except as noted below, probationary and regular employees when required to actually work (does not include standby time, etc.) more than fourteen (14) hours in a twenty-four (24) hour period shall not be required to return to work without at least an eight (8) hour rest period starting from the time released from work. D. Lunch Periods. Employees who work a 4/11 – 3/11 receive forty minute paid lunches. Employees on all other schedules receive thirty-five (35) minute paid lunches. Exception: Employees assigned to special duty will not receive paid lunch.

ARTICLE II. 4/11 – 3/11 SHIFT SCHEDULE

The following constitutes the agreement and understanding between the City of Roseville ("City") and the Roseville Police Officer's Association ("RPOA") (hereafter the "Agreement") regarding the implementation of a "4/11-3/11" shift flex schedule and plan for sworn police officers and supervisors assigned to patrol (The "Plan").

1. The Plan applies only to sworn patrol officers and supervisors.
2. Under the Plan, the regularly scheduled work day will consist of eleven (11) hours per shift. Except as noted below, in any two (2) week pay period during the twenty-eight (28) day cycle, affected Employees will be assigned to work rotating schedules of four (4) consecutive days worked followed by three (3) days off, which is then followed by three (3) consecutive days worked and four (4) consecutive days off. However, the City recognizes that employees have traditionally been permitted work 80 hours every two weeks and thus, would suffer a deficit of three hours at base hourly rate were extra time not permitted to be subsequently made up at base hourly rate. Thus, in order to permit employees to “make-up” for such time, and, to permit the City and affected employees to benefit from the ability to have extra regularly scheduled training days and days for special enforcement projects and other extra work, an extra nine (9) hour regular workday shall be scheduled every third pay period. The extra nine (9) hour day shall also be worked at a base hourly rate. The extra day shall be scheduled during a normal day off during that week in the pay period in which the affected employees are scheduled to work thirty-three (33) hours. Accordingly, the days off that week shall be reduced from four (4) to three (3). Thus, during that fourteen (14) day pay period, the affected employees shall work forty-four (44) hours one week, and forty-two (42) hours in another, all at base hourly rate.
3. Leave Accruals - Accrual rates under the current MOU for sick leave, vacation leave, compensatory time, and holiday pay, based on regular scheduled hours paid in the pay period, and will not be affected by the Plan.
4. Leave Usage - Time off from any regularly scheduled work day will require the appropriate use of vacation, sick leave, or compensatory time on an hour-for-hour basis.
 - a. If the officer attends a forty (40) hour school during the employee’s thirty-three (33) hour work week, the officer will receive seven (7) hours of overtime or be granted another day off with the excess time used as travel or study time, or taken in time off. Conversely, if the officer attends a forty (40) hour school during the employee’s forty-four (44) hour work week, the excess four (4) hours could be used as travel or study time, or taken in time off.
 - b. All time off will be recorded as the actual time away from work (including sick time). If an employee is absent for an entire shift, the amount of leave time deducted will be eleven (11) hours. If the leave is during the entire forty-four (44) hour work week, the amount will be forty-four(44) hours. If the time off falls on the prescheduled extra day, the amount is nine (9) hours.
5. Meal Periods - Meal periods will be a forty (40) minute paid lunch.
6. The City will make good-faith efforts to insure that at least six (6) of the extra nine-hour workdays during any one year period are used for training purposes, if the schedule is implemented on an annual basis. The work required on the remaining nine (9) hour days will be at the discretion of the City, and may involve special enforcement, special operations, or other assigned work at the discretion of the City.
7. Workers’ Compensation - Hours paid for Workers’ Compensation leave will be paid on an hour for hour basis based upon the officer’s shift schedule. Officers on extended Workers’ Compensation leave for twenty-eight (28) days or more may be reassigned to a forty (40) hour work week.
8. The City retains the right to determine operational guidelines for the implementation and operation of the Plan and to assign employees to a “4/10” work schedule by giving employees thirty (30) days’ notice.

9. The Association understands and agrees that, to the extent this Agreement conflicts with any existing provision in the current MOU, this Agreement modifies and supersedes any such conflicting provision.
10. The Association warrants that it believes the Plan to be in compliance with all applicable wage and hour laws and agree that it will not file or maintain or cause the filing or maintenance, or encourage or assist in the filing or maintenance of, any claim, grievance, or cause of action of any kind, in any local, state or federal administrative agency, asserting that the Plan violates federal or state wage and hour laws and /or asserting any entitlement to overtime compensation for hours agreed to be worked at base hourly rate under the Plan and this Agreement.

CHAPTER 7. TRAVEL/MEAL EXPENSES

ARTICLE I. OUT OF AREA TRAVEL

When any employee is required to travel beyond a thirty (30) mile radius of the Police Department as the result of a business related function, the following compensation shall be provided:

- A. Compensable hours under this provision shall be actual travel time to and from and all hours worked during such assignment. Compensation for such hours shall be governed by the overtime provision of this Agreement.

ARTICLE III. CERTIFICATION OF ELIGIBLES AND APPOINTMENTS

- A. All appointments to vacancies shall be based upon merit and fitness ascertained in accordance with these rules and shall be made by transfer, demotion, or from eligibles from an appropriate employment list, if available, which appointment may be for new employment, reemployment, reinstatement, or promotion. The type or types of appointments utilized shall be in the best interest of the City as determined by the City Manager. In the absence of persons eligible for appointment in these ways, provisional, temporary, emergency, or other types of appointments may be authorized by the City Manager in accordance with these rules and the City Charter.
- B. Whenever a vacancy is to be filled, the appointing authority shall notify the Human Resources Director in the manner prescribed. If there is no employment list available for a class, the Human Resources Director shall decide the manner in which the position shall be filled.
- C. The number of persons to be certified by the Human Resources Director to the hiring department shall be the top five (5) ranking scores for the initial vacancy and an additional two (2) scores for each additional vacancy to be filled upon the same certification. If there are three (3) or fewer eligible and available persons on a promotional or open list for certification to the hiring department, the Human Resources Director may use his/her discretion in calling for a new examination in order to secure a sufficient number of persons eligible for certification.
- D. Vacancies filled by promotion may be certified by competitive (closed) promotional examination, or by promotional certification by the department head and Human Resources Director in those cases where only one employee is qualified for the higher level position. For advancement to occur by promotional certification, the department head must notify the Human Resources Director that an employee meets all prescribed standards of the higher level class, has demonstrated in all respects the ability to satisfactorily perform responsibilities of the higher level class, and is in other ways eligible for certification to the higher level class. Upon a finding by Human Resources Director that an employee is in all respects eligible for promotional certification, the Human Resources Director may so certify the employee for employment consideration by the Police Chief upon the occurrence of the next vacancy at the higher level position.

- E. The Police Chief shall arrange for a convenient time and place to conduct departmental evaluations of eligible persons, and shall notify the same. Following interview and other appropriate candidate review, the Police Chief may recommend an appointment to the City Manager. The candidate(s) selected for appointment consideration shall be certified by the department head to the Human Resources Director, who shall arrange for a medical examination, fingerprinting, and any other pre-employment testing deemed to be necessary and appropriate. Upon receiving satisfactory results of such tests, the Human Resources Director shall sign the appointment authorization and refer such authorization together with any supporting documents to the City Manager at least five (5) working days prior to the effective date. The City Manager may approve or disapprove the recommended appointment. If approved, the department head shall notify the appointee and, if the person accepts appointment and reports for duty within such period of time as prescribed by the department head, the applicant shall be deemed to be probationally appointed; otherwise, the applicant is deemed to have declined appointment.
- F. Unless authorized as an exception by the City Manager, no appointment of a new employee shall be made until the results of a medical and background evaluation have been received by the Human Resources Director.

ARTICLE IV. EDUCATIONAL REIMBURSEMENT

Employees may be reimbursed for the tuition and fees connected with approved job related educational courses and other work-related trainings, up to \$250 per course, not to exceed \$750 per year. The cost of books is not covered in this Agreement. The employee will submit the request for reimbursement to the Police Chief, who will accept or reject the request. The request must be made before the class has been completed. The request will then be forwarded with the Police Chief's recommendation to the Human Resources Department, who will make the final decision to accept or reject the request. The City has established a \$6,000 educational reimbursement fund to be administered by the Human Resources Department. Once the fund balance is depleted, no further reimbursements will be approved

ARTICLE V. NO SMOKING POLICY

Sworn employees hired after 1985 must be tobacco free and cannot use tobacco products on or off duty.

ARTICLE VI. PHYSICAL FITNESS PROGRAM

The on-duty Physical Fitness Program for all sworn personnel shall be as provided for below:

A. The Program

1. Patrol's sworn personnel will exercise on duty for one (1) hour at the beginning of every regular shift, unless calls for service require additional patrol. The watch commander will determine daily participation.
2. Specialized units (e.g., YSO, Investigations, Traffic, CSU, SSU) will have the option of when to exercise depending on schedules. Each unit's manager or supervisor will determine exercise schedules and daily participation.
3. All sworn employees must exercise for approximately forty (40) minutes, be in uniform and report for duty in the one-hour period when the time is allotted. Overtime will not be authorized due to exercise time.
4. A Fitness Committee comprised of the Risk Manager, the Police Department's Lifetime Fitness Team, and the RPOA president will oversee the program and periodically report to the Chief of Police. The Lifetime Fitness Team will facilitate the program, including generating workout programs and health bulletins for employee motivation and information, ensuring maintenance of the gym equipment, collecting and reporting data to validate the program, etc. It will be the Fitness Committee's responsibility to meet on an annual basis to review the progress of the program, make recommendations and assist in the implementation of the program.
5. The Lifetime Fitness Team will consist of at least four members, two of which will be the Fitness Coordinators who will head the program.
 - a. The members of the team will have their Bachelor of Science degree in a health and exercise related field or become a certified personal trainer within six months of their appointment.
 - i. Personal trainer certifications such as: NCSF, NASM, ACE, ISSA, ACSM, Crossfit Level 1.
 - b. Fitness Coordinators will be sworn staff.
 - c. Fitness Coordinators will be allowed two weeks per year to conduct the yearly fit testing in lieu of their assigned duties.
 - d. Members of the Lifetime Fitness Team are required to attend at least one training class every two years to further their knowledge in this field.
6. The Fitness Coordinators will be responsible for the following: conducting annual fitness assessments on all sworn personnel, keeping all medical information confidential, providing an exercise regimen for each employee, collecting and reporting department data, and ensuring a Lifetime Fitness Team member is available for consultations at the request of the employee. In addition to the items above, the fitness coordinator will notify the department and Risk Management of any employee whose fitness for duty may be in question. An employee so identified will then be referred to a city doctor for a fitness for duty exam.
7. Employees who participate in the fitness program as a Lifetime Fitness Team member shall provide technical assistance to employees in the proper use of the fitness equipment. Those team members shall not be provided medical information on any employee other than him/herself. An exception to this would be if an employee supplies the information and requests an interim fitness assessment by a team member. The Lifetime Fitness Team member may establish an employee's fitness program if requested by the employee.
8. Each employee will receive an annual health assessment and exercise regimen before exercising on duty. The Fitness Coordinators will be the only individuals who will have

access to the personal medical information of members. The Fitness Coordinators will maintain the information on a secured computer file, which will not be disclosed absent court order. The assessment will consist of the following:

- a. Body weight and height
- b. Resting and exercise blood pressures
- c. Resting and exercise heart rates
- d. Body fat testing
- e. Muscle fitness (flexibility, strength and endurance) tests

Prior to the annual health assessment, the City's designated occupational health provider will assess the employee in the following ways:

- a. 12-hour fasting lipid blood panel (cholesterol, HDL, LDL, Blood glucose and triglycerides results)
- b. Lead/Zinc (SWAT)
- c. Cancer Antigen- Females (Voluntary)
- d. Prostate Antigen-Males (Voluntary)
- e. Fecal (Voluntary)
- f. LP-PLA2 (Voluntary)
- g. 12 Lead EKG for employees over 40 years old (Voluntary)

The workers' compensation healthcare provider will send all results to the tested employee directly. It is the employee's option, not mandated, to discuss any bloodwork during their yearly fitness testing with a Fitness Coordinator.

9. Should an employee present two (2) or more of the following factors; has high cholesterol, obesity, diabetes, hypertension or high HDL, indicating a health condition which could conflict with the employee's physical ability to participate in the fitness program, the employee will be referred to the employee's treating physician. The Fitness Coordinators will provide the employee with a letter listing his or her concerns, a copy of the job specification of a police officer, as well as a list of possible fitness activities and available gym equipment. The employee will provide these documents to their doctor. The employee will be required to provide to the fitness coordinator medical clearance from the treating physician indicating that the employee is physically capable of participating in the fitness program. Should the employee fail to provide medical clearance within seven (7) calendar days from the date of referral or should the employee's treating physician indicate that the employee is not physically capable of participating in the fitness program, the Fitness Coordinators will notify the Department. The City may then refer the employee for fitness for duty evaluation to ascertain the nature and extent of the employee's limitations.
10. Should the Fitness Coordinators have serious concerns about an employee's ability to perform his/her duties as a police officer due to the existence of three (3) or more factors listed above, the department and Risk Management will be notified and a decision made whether a fitness for duty evaluation is necessary.
11. Exercise regimens will be developed as a cooperative effort between the employee and the Fitness Coordinators. There shall be no minimum levels of fitness. Each employee will be required to participate in good faith in the fitness program. The failure to participate in good faith may subject the employee to disciplinary action. Upon request to the Fitness Coordinator, a copy of an employee's exercise regimen may be obtained for supervisory purposes.

12. No competitive sports are allowed while on duty. Walking and running outside the building is allowed on pre-determined routes. Employees walking or running at night must wear a reflective vest.
13. Employees will be allowed to ride their bicycle for their forty (40) minute workout time. The employee must ride their bicycle on a pre-determined route. Employees riding during hours of darkness must have a headlight and taillight on their bicycle.

B. Program Validation

The program will be measured by change or improvement in the overall employees' fitness level. This will be measured in a number of ways:

1. Annual fitness assessments will be performed on all employees for the purpose of validating the program as well as monitoring individual fitness. The Fitness Coordinators will provide a statistical analysis on the fitness level of the overall employee population. Such information will not be provided in any manner that identifies any particular employee.
2. Risk Management will monitor the number and types of injuries and related costs. Sick leave usage will also be evaluated and compared to previous years.
3. Costs associated with the fitness program will be tracked.
4. Information will be collected and monitored by the Fitness Committee. Reports and recommendations will be forwarded to the Chief of Police on an annual basis. The program's continuation will be based upon the benefits received equally by the City, Police Department and its employees.

C. Gym Equipment and Usage

Sworn officers exercising on duty will have priority use of the exercise equipment and shower facilities.

D. Other Issues

1. Non-participation by an employee will be addressed as any performance issue, through progressive discipline.
2. Serious health risks may be identified through the assessment process that may preclude an employee from doing their job safely. In this case, the employee will be referred for medical attention and may be required to undergo a fitness for duty evaluation.

ARTICLE VII. CLASS B COMMERCIAL DRIVER'S LICENSES

The City of Roseville and the Roseville Police Officer's Association (RPOA) agree that Police Officers and Police Sergeants may volunteer to obtain their California Class B commercial driver's license in order to operate department commercial equipment. It is further agreed that the City will incur employee expenses related to obtaining and maintaining the license (physical and Department of Motor Vehicles fees).

Employees who obtain commercial driver's licenses will be subject to the City of Roseville Drug and Alcohol policy including the provision that provides for random drug testing per the Department of Transportation.

Employees will not receive additional compensation for possession and use of the commercial driver's license.

CHAPTER 10. ASSOCIATION/CITY ISSUES

ARTICLE I. ACCESS RIGHTS

Any representative of RPOA shall give notice to the Police Chief before contacting departmental employees on City facilities during the duty period of the employees, provided that solicitation for membership or other RPOA business shall be conducted during the non-duty hours of all employees concerned. Prearrangement for routine contact may be made, and when made shall continue until revoked by the Police Chief.

ARTICLE II. BULLETIN BOARD

RPOA shall have access to employee association bulletin boards. Any new materials posted must be dated and initialed by the RPOA representative/officer responsible for the posting. The City shall provide reasonable bulletin board space for the use of RPOA and the City located in the day room. RPOA shall designate one individual who shall be the liaison with management regarding the usage of association bulletin boards.

ARTICLE V. REPRISALS

The City and RPOA shall not impose or threaten to impose reprisals on employees to discriminate or threaten to discriminate against employees or otherwise interfere with, restrain, or coerce employees because of the exercise of their rights guaranteed by the Meyers-Milias-Brown Act, this Agreement, and all applicable sections of the California Government Code.

ARTICLE VI. CONCERTED ACTIVITY

- A. During the term of this Agreement, neither RPOA, its agents, nor any Bargaining Unit employee, for any reason, will authorize, institute, aid, condone or engage in a work slowdown, work stoppage, strike, or any other action which precludes the City from carrying out its functions or obligations.

- B. RPOA agrees to notify all of its officers, stewards, and staff of the obligation and responsibility for maintaining compliance with this Section, including the responsibility to remain at work during any job action initiated by others.

ARTICLE VII. MANAGEMENT RIGHTS

Pursuant to Section 3.17.030 of the City's Personnel Rules all rights are reserved to the City, except as abridged by this Agreement.

ARTICLE VIII. NON-DISCRIMINATION

The RPOA hereby certifies that it has no restrictions on membership based on race, color, creed, gender, disability, national origin, political affiliation, religious beliefs, or any status protected by state or federal law.

ARTICLE IX. GRIEVANCE PROCEDURE

Pursuant to Chapters 3.23 and 3.24 of the Personnel Rules and Regulations, the following provision shall govern the grievance procedure for this Agreement.

A. Grievances in General.

An employee, individually or in representation of a group of employees, may complain to the City management through the grievance procedure in this chapter regarding any matter relating to that employee's wages, hours, or conditions of employment. A grievance may be either formal or informal. An informal grievance is a prerequisite to filing a formal grievance.

B. Informal Grievance.

An employee, individually or in representation of a group of employees, with a grievance shall first discuss the matter with his or her immediate supervisor within ten (10) calendar days of the matter complained of. The supervisor and the employee shall attempt to informally resolve the dispute. If this is not accomplished, the employee shall next discuss the matter with the next level of supervision within ten (10) calendar days of the unsuccessful discussion and so on, until the employee reaches the department head. The decision of the department head regarding an informal grievance shall be final unless the employee files a formal grievance.

C. Formal Grievance.

1. An employee, individually or in representation of a group of employees, who has a grievance which remains unresolved after utilizing the informal grievance procedure may file a formal grievance in writing. The employee shall file a formal written grievance with the City Manager within ten (10) calendar days after the final decision on the informal grievance. The formal grievance shall contain all relevant information relating to the grievance which the employee wishes the City Manager to consider. The City Manager shall meet with and respond in writing to the employee within ten (10) calendar days of the receipt of the grievance.
2. The decision of the City Manager as prescribed in "1" above shall be final and binding for all grievances except as noted in "3" below.
3. A grievance that claims an employee has been unfairly treated due to an alleged improper application of (i) a departmental regulation or; (ii) any expressed terms(s) of this Agreement may be appealed to the Personnel Board as provided by Subsection D below.

D. Administrative Appeals.

1. Within five (5) working days after the decision by the City Manager regarding a formal grievance, an employee may file a written administrative appeal to the Personnel Board with the Human Resources Director. Such written administrative appeal shall, at minimum, contain the following information:
 - a. The name and classification of the employee;
 - b. The name, address, telephone number, and organizational affiliation, if any, of any representative of the employee;
 - c. A copy of the formal grievance papers filed with the department head and the City Manager and their written responses;
 - d. Any other relevant information or documents the aggrieved employee wishes to submit.
2. The Human Resources Director shall arrange for a hearing before the Personnel Board within forty-five (45) calendar days. The employee may request in writing that the date of hearing be postponed beyond forty-five (45) days; or such date may be extended at the request of the Personnel Board Chairperson.
3. The Human Resources Director shall provide at least five (5) calendar days' written notice of the date, time, and place for hearing to the employee (and representative, if any).
4. Selection of Hearing Officer. The City agrees to request a list of seven (7) arbitrators from the State Mediation Service to serve as advisor to the Personnel Board. The Association and City shall alternately strike names, the City striking first, until there is an advisor selected. The cost of such advisor shall be borne by the City.

ARTICLE XI. MEMBERSHIP DUES AND AUTHORIZED DEDUCTIONS

- A. The Association shall be entitled to have membership dues and other lawful deductions of its members deducted from their paychecks in accordance with the procedures required by law and set forth herein. To the extent required by Government Code Sections 1157.3 and 1157.12, the City shall honor employees' voluntary authorizations for Association dues deductions from employee paychecks. Such authorized deductions shall be remitted monthly to Association along with an adequate itemized record of deductions. The City shall make every reasonable effort to remit the amounts deducted within ten (10) working days following the payday on which the deductions were made.
- B. In making such authorized membership dues deductions, the City shall rely on written certification from the Association confirming that the Association has and will maintain authorizations signed by each individual employee from whose paychecks the deduction is to be made that the individual affirmatively consents to the dues deduction in a manner that meets the requirements of state and federal law, including but not limited to applicable provisions of Government Code Sections 1150-1157.12 and the First Amendment of the United States Constitution. After providing the required certification, the Association shall not be required to provide a copy of individual authorizations to the City unless a dispute arises about the existence or terms of the authorization. To the extent required by law, the City will rely on information provided by the Association in writing regarding whether dues deductions were properly cancelled or changed. Any requests from the Association that the City change dues deductions shall include a

certification that the changes are requested with the affirmative consent of the individual employee(s) and otherwise comply with all requirements of state and federal law.

- C. The amount of membership dues shall be set by the Association. . All changes in dues deductions shall become effective the first of the month following written notification to the City Finance Director.
- D. The City agrees to direct all employees to the Association with regard to any questions or concerns related to membership dues or any other mutually agreed payroll deduction. The City agrees to send requests to cancel or change dues deductions to the Association
- E. The City agrees to provide to Association on a monthly basis a payroll dues deduction report.
- F. The employee's earnings must be regularly sufficient, after other legal and required deductions are made, to cover the amount of the dues check-off authorized. When an employee, in good standing in the Association, is in a non-pay status, for the full pay period when his/her dues would normally be withheld, no dues deduction will be made to cover that withholding from the current or future earnings; nor will the employee deposit the amount with the City which would have been withheld if the employee had been in a pay status during that period. In the case of an employee who is in a non-pay status during only a part of the pay period and the salary is not sufficient to cover the full withholding, no deduction shall be made. In this connection, all other legal and required deductions have priority over Association dues.
- G. The Association shall indemnify, defend, protect and hold harmless the City and its elected and appointed officials, officers, employees, officers and agents (collectively hereafter the "Indemnitees") from and against any and all claims, liabilities, losses, damages, fines, penalties, claims, demands, suits, actions, causes of action, judgments, costs and expenses (including, but not limited to, reasonable attorneys' fees and court costs) arising from the application of any provisions under this Article, including, but not limited to, any claims made by any member employees for the membership dues deductions the City made in reliance on the Association's certification, and any claims made by any member employees for any deduction cancellation or modification the City made in reliance on the information provided by the Association, provided that the City promptly notify the Association of any such matter for which it is seeking indemnification after the City has knowledge of the occurrence of such matter.

In the event any such action or proceeding is brought against the City by reason of any such claim, the Association, upon notice from the City, covenants to defend such action or proceeding by counsel reasonably satisfactory to the City. Further, the Association agrees to indemnify and hold harmless the Indemnitees for any loss or damage arising from the Association's actions or inactions under this Article.

ARTICLE XII. SENIORITY

- A. Seniority in the Police Department is established by continuous time served in class in either a regular or limited term position. When two (2) or more employees within the same class have identical service and appointment dates, the employee with the higher position on the City eligibility list from which the appointments were made is deemed to be the senior.
 - 1. Police Officer Trainees being promoted to Police Officer who have identical service and appointment dates and the same placement on the City eligibility list will have their seniority based upon their Police academy final class ranking. If there is a tie, then seniority will be based on their average final academy scores in three areas: academics, firearms, and the Work Sample Test Battery (WSTB).

2. Lateral Police Officers who have identical service and appointment dates and the same placement on the City eligibility list will have their seniority based upon their number of years worked in a sworn capacity.
3. Rehired Officers reemployed within two years of their date of separation from the City will be granted seniority pursuant to Article V. Reemployment – Seniority.

Individuals who are demoted, whether voluntarily or involuntarily, shall have all time served in the higher rank within a class series counted for purposes of seniority.

- B. Seniority list placement qualifies an employee for shift, team, vacation, and days off preference.
- C. Shift Bidding: Employees shall be permitted to bid for shift/days off/team on the basis of seniority.
 1. Bidding shall take place every six (6) months and shall be completed thirty (30) calendar days before the start of the new shift.
 2. Police Sergeants shall bid their shift prior to officers placing their bids.
 3. K-9 handlers shall be allowed to bid for available K-9 shifts.
 4. When a vacancy in a shift occurs during the interim of a shift period (after bidding has occurred for the six (6) month period) the department may fill that vacancy with another employee of their choosing for the remainder of the shift period. In the event the vacancy or temporary assignment extends to the next shift bidding period, the absent employee may personally bid or may relinquish their seniority status for the purpose of shift bidding.
 5. Once probationary employees have completed the Field Training Officer (FTO) phase, they are assigned to a shift on the basis of seniority. From time to time it is necessary to reassign a probationary employee to other shifts for purposes of evaluation or training. Such transfer of a probationary employee may necessitate the temporary transfer of other employees to different shifts. These transfers will be of relatively short duration, and reasonable notice will be give to all affected employees.

ARTICLE XIII. PERSONNEL FILES

The City shall maintain two (2) personnel files on each employee, a permanent file in the Human Resources Department and a departmental file. The personnel files shall be maintained at a location identified to each employee. Upon request by an employee, the employee and/or his/her authorized representative may review the personnel files during regular office hours except where denial of access is authorized by statute. No other personnel files other than that permitted by this provision may be kept on an employee. Information contained in an employee's personnel file shall be confidential and available for inspection only to authorized management personnel, the supervisor of the employee and the City's attorneys; except, however, that information in an employee's personnel file may be released pursuant to court order, subpoena, or with a release signed by the employee. The department shall notify the employee of the existence of such court order, subpoena, or a motion for court order to gain access to the personnel file prior to the release of any information. No material which relates to the employee's conduct, attitude, work performance, or service will be included in his/her personnel file without being signed and dated by the author of such material. Before such material is placed in the employee's file, the department head or designated authority shall provide the employee the opportunity to review the material and sign and date it. A copy of such material shall be provided to the employee. The employee shall have the right to insert in his/her file within thirty (30) calendar days of the employer placing an item in the file, supplementary material and a written response to any item in the file. Such response shall remain attached to the material it supplements for as long as the material remains in the file.

Retention of Materials.

Internal affairs investigations shall be kept in a separate file under complainant's name and shall be purged and destroyed after five (5) years. All personnel records dealing with disciplinary actions that affect payroll, leave balances, etc., personnel transaction forms, and voluntary-nonvoluntary deduction forms shall be maintained permanently. All other information shall be destroyed after five (5) years from the date filed. Written reprimands shall be destroyed after five (5) years if no further discipline or similar reprimands have been filed within the five (5) year period. If there are other similar documents on file, the written reprimands cannot be destroyed until five (5) years after the most recent occurrence.

Counseling memos are considered to be part of the performance evaluation process and can be included in the evaluation document at the supervisor's discretion.

ARTICLE XIV. EMPLOYEE RELEASE TIME

- A. The City recognizes and agrees to deal with designated representatives of RPOA on all matters related to grievances.
- B. A written list of all RPOA representatives shall be furnished to the City immediately after their designation and RPOA shall notify the City promptly of any change of representatives.
- C. An aggrieved employee shall be allowed reasonable release time for the purpose of attending administrative or Skelly hearings or an internal affairs investigation during working hours without loss of compensation subject to prior notification and approval by his/her immediate supervisor.

Upon request of an employee an RPOA representative shall be allowed reasonable release time for the purpose of representing the employee in all administrative or Skelly hearings or an internal affairs investigation during working hours without loss of compensation subject to prior notification and approval by his/her immediate supervisor.
- E. Employee release time hours are not to be considered to be hours worked for overtime purposes.
- F. Employees are entitled to representation in accordance with the provisions of this Agreement and Government Code Section 3300 et seq.
- G. The City and RPOA agree to continue an RPOA Time Bank for use by employees for the sole purpose of performing or conducting association business subject to the following conditions:
 - 1. Effective January 2026, RPOA members must donate one (1) hour each year of vacation hours from an association member's accrued leave balance for such hours. Such donation shall be non-revocable and not returnable to the employee. Donations will be allowed only during January of each year.
 - 2. The maximum number of hours any member shall donate is one (1) hour per year. Any remaining unused hours in the time bank on December 31st shall be carried over into the next calendar year. The maximum number of hours that can be accrued is two hundred (200). In the event that the number of RPOA represented employees exceeds one-hundred (100), the maximum annual accrual will be increased by two (2) hours for each additional employee.
 - 3. Time bank hours shall not be used without prior approval of RPOA representatives. All time submitted to payroll for reimbursement from the bank must have RPOA and department approval.

4. The RPOA member receiving Time Bank Hours assumes any tax liability and must pay applicable state and federal payroll taxes and associated employee pension costs for using Time Bank Hours. Hours donated by association members shall not be considered time worked for overtime, retirement or any other benefit purpose.

ARTICLE XV. INTERNAL AFFAIRS INVESTIGATIONS

The City will conduct internal affairs investigations of police department personnel as expeditiously as possible. In the event that the investigation takes over sixty (60) calendar days to conclude, the department will provide a status report to the employee.

- B. At the conclusion of at least every three months the limited term Police Officer's performance shall be evaluated in the manner described in Personnel Rule Section 3.06.150.
- C. A limited term Police Officer who is transferred from a limited-term position to a classified Police Officer position, at the sole discretion of the Police Chief, having the same salary range and substantially similar duties, shall be compensated at the same step in the salary range as previously received without a change in the anniversary date.
- D. Salary Step Advancement. A merit step increase may be granted to a limited term Police Officer employee pursuant to City's Personnel Rules 3.11.030, subject, but not limited, to the following:
 1. "Anniversary date" means the date upon which an employee first appears on the City payroll due to original appointment to the Police Officer limited-term position, and in which the employee becomes eligible for salary advancement consideration.
 2. A limited term Police Officer shall be provided with an employee evaluation in accordance with Chapter 3.14 of the Personnel Rules.
- E. Limited term Police Officer employees shall be at-will employees and shall be entitled to health insurance, CalPERS retirement, retiree health savings account, long term disability, holiday pay, vacation and sick leave and other benefits, on the same terms and conditions as a newly hired regular status employee.
- F. The length of service, service credit and service points shall start from the initial date of hire as a limited term Police Officer and be deemed continuous service upon the transfer to a regular Police Officer position without a break in service.
- G. Nothing in this Article shall change the at-will, temporary status of a limited term appointment.
- H. In all circumstances, appointments made based on this provision or into classified service are at the sole discretion of the Police Chief.
