Roseville, California 95678-2649

COMMERCIAL ELECTRICAL Electronic Submittal Checklist

Please prepare and save your DOCUMENTS, PLANS, and TECHNICAL DOCUMENTS as pdf's. These will become your pre-application attachments. All attachments must comply with [Roseville Electronic Plan Review Document Submittal Requirements](#).

Next initiate a pre-application in the [Online Permitting Services \(OPS\) Portal](#) and select the following scope of work descriptions from the drop downs.

- Commercial
- Other

Enter your project information and attach the following items. Be sure to select the document type as identified below.

PLANS

- Complete, stamped and signed (electronic signatures accepted) building plans including project name, project address, site electric plan, electrical floor plan, lighting floor plan, lighting schedule, energy compliance, one-line, panel schedule and load calculations, if applicable

TECHNICAL DOCUMENTS

- Manufacturers' specifications and/or installation instructions
- Title 24 energy calculations, if applicable

Please be advised that California Green Building Standards Code (CALGreen) Part 4, Section 4.408 mandates the submission of a Waste Management Plan (WMP) for projects falling within certain criteria. The permit processing system will alert you if one is required. Questions for this process shall be directed to wmp@roseville.ca.us.

Once your pre-application has been processed, you will receive a request for payment of your plan review fees. Please note, your submittal will not be distributed to applicable City departments and the plan review period will not begin until payment has been received.

We encourage all applicants to utilize the OPS Portal to submit, but applicants may also submit in-person at the Permit Center. To submit at the Permit Center, please provide the items listed above along with a completed [Building Permit Application](#) on a USB drive or similar data storage device.
