RESIDENTIAL SWIMMING POOLS Electronic Submittal Checklist

Please initiate a pre-application in the [Online Permitting Services \(OPS\) Portal](#) and select the following scope of work descriptions from the drop downs.

- Residential
- Add to an existing home
- Swimming pool and/or spa

Enter your project information and attach the following items. Be sure to select the document type as identified below. All attachments must comply with [Roseville Electronic Plan Review Document Submittal Requirements](#). Please also see [Swimming Pool Requirements Packet](#) for additional information.

DOCUMENTS

- Letter of Encroachment for access across publicly owned land, if applicable

PLANS

- Complete, stamped and signed (electronic signatures accepted) swimming pool plans including plot plan and details

TECHNICAL DOCUMENTS

- [Electric Load Worksheet](#), if main electric panel service size is less than 200 amps

Once your pre-application has been processed, you will receive a request for payment. Please note, for projects requiring plan review, your submittal will not be distributed to applicable City departments and the plan review period will not begin until payment has been received.

We encourage all applicants to utilize the OPS Portal to submit, but applicants may also submit in-person at the Permit Center. To submit at the Permit Center, please provide the items listed above along with a completed [Building Permit Application](#) on a USB drive or similar data storage device.
