RETAINING WALL Electronic Submittal Checklist

Please initiate a pre-application in the [Online Permitting Services \(OPS\) Portal](#) and select the following scope of work descriptions from the drop downs.

- Residential
- Add to an existing home
- Retaining wall

Enter your project information and attach the following items. Be sure to select the document type as identified below. All attachments must comply with [Roseville Electronic Plan Review Document Submittal Requirements](#). Please also see [Retaining Wall Permit Requirements](#) for additional information.

PLANS

- Complete, stamped and signed (electronic signatures accepted) building plans including site plan, plot plan, construction details and specifications

TECHNICAL DOCUMENTS

- Structural calculations, if applicable
- [Special Inspection and Testing Agreement](#), if applicable

Once your pre-application has been processed, you will receive a request for payment of your plan review fees. Please note, your submittal will not be distributed to applicable City departments and the plan review period will not begin until payment has been received.

We encourage all applicants to utilize the OPS Portal to submit, but applicants may also submit in-person at the Permit Center. To submit at the Permit Center, please provide the items listed above along with a completed [Building Permit Application](#) on a USB drive or similar data storage device.
