Roof Mounted Photovoltaic Re-Installation Property Owner Acknowledgement

HOMEOWNER MUST READ AND SIGN. THIS FORM MUST BE SUBMITTED UPON REQUEST FOR ROOFING PERMIT THAT INCLUDES REMOVAL OF PHOTOVOLTAIC SYSTEM.

Address (please print): _____

Owners Name: _____

Roofing Contractor Name: _____

As the owner of record for the above referenced address, the City of Roseville Building Division wants you to be aware that by state law we enforce the California Building Code, California Electric Code, California Residential Code, and California Energy Requirements.

Because the Photovoltaic (PV) System must be removed and replaced during the course of re-roofing your home, a separate permit will be required to re-install the PV system.

By signing this form, you acknowledge a separate permit will be required before the dismantled PV system is re-installed on the roof. The PV system shall be re-installed in accordance with the original City approved drawings.

I HAVE READ THE ABOVE AND UNDERSTAND MY RESPONSIBILITY AS THE HOMEOWNER.
