**- OR MAIL TO -**  
City of Roseville  
SWQ Permit Renewal  
2005 Hilltop Circle  
Roseville, CA 95747

## Compliance Signature

2019

I certify, as the responsible representative of the above described property, that the stormwater quality control measure(s), installed and operating at this property, have been serviced and maintained as required by the stormwater quality maintenance agreement covenanted to the title of this property. By signing this document, I confirm that all conditions of the maintenance agreement have been met, and that the stormwater quality control measures are in full and effective operating condition to the best of my knowledge.
