

Application Checklist

ADMINISTRATIVE TREE PERMIT (ATP)

Process:

A request for an Administrative Tree Permit requires approval by the City's Planning Manager. Administrative Tree Permits only apply to encroachments into the protected zone of native oak trees of 20 percent or less on projects not associated with any discretionary approval. Some of these requests can be handled over the counter, however, it is dependent upon the number of applications before the City.

Submittal:

The City of Roseville DS Planning Division accepts applications online. For more information on the online application submittal process and to submit an application, visit the City's Development Services – Online Permitting Services (OPS) submittal page at <http://www.roseville.ca.gov/permitsonline>. Along with the online application, additional submittal information, as listed below, will be required to be uploaded and submitted. Applications shall be reviewed for compliance with the submittal requirements. ***Applications submitted without the required information are not required to be accepted for processing.***
