PLANNED SIGN PERMIT PROGRAM (PSPP)

Process:

A request for a Planned Sign Permit Program requires approval by the Planning Manager and a public notice. Following a public notice, the Planning Manager may waive the requirement for a public hearing if one is not requested. If a public hearing is requested, the Planning Manager shall schedule and notice the permit for public hearing by the Design Committee. Processing time is normally four (4) to five (5) weeks; however, it is dependent upon the number of similar requests before the City.

Submittal:

The City of Roseville Planning Division accepts applications online. For more information on the online application submittal process and to submit an application, visit the City's Development Services – Online Permitting Services (OPS) submittal page at <http://www.roseville.ca.us/opssubmittal>. Along with the online application, additional submittal information, as listed below, will be required to be uploaded and submitted. Applications shall be reviewed for compliance with the submittal requirements. ***Applications submitted without the required information are not required to be accepted for processing and will cause delay.***
