MINOR DESIGN REVIEW PERMIT (MDRP)

Process:

A request for a Minor Design Review Permit (MDRP) requires approval by the Planning Manager and a public notice. The request must demonstrate the improvements which comply with the requirements of Zoning Ordinance Section 19.74.010.C2(a). Upon acceptance of the MDRP application, the applicant is required to post notice of the project on the project site, in a plainly visible location, for a period of 10 days. If no request is made for a public hearing, the Minor Design Review Permit will be approved on the 11th day and a 10 day appeal period of the Planning Manager's decision begins. If no appeal is filed during the appeal period, the applicant may proceed with improvements after the appeal period has expired (on the 21st day following the first day of posting this notice).
