CITY OF ROSEVILLE CALIFORNIA Electric Utility

TENANT AUTHORIZATION
BUILDINGS AUTHORIZED TO BENCHMARK

This form is made available to allow authorized parties ("Owner" or "Owner's Agent/ representative", hereinafter referred to individually or collectively as "Owner") to participate in and acquire the energy use data for a "covered building", in compliance with the Building Energy Use Data and Public Disclosure Program ("Program""), as defined within Title 20, Division 2, Chapter 4, Article 9, Sections 1680-1685 of the California Code of Regulations. All parties are bound to the data request practices and protocols of Roseville Electric Utility ("Utility") and will perform best efforts to comply with all specified energy usage data request requirements.

Utility is required to provide historic energy use data for all accounts, meters and services in certain covered buildings. Such customer-specific energy use data can be deemed proprietary and confidential.

The customer, tenant or occupant, hereinafter referred to individually or collectively as "Customer", of any portion of a covered building (or buildings) for which energy usage data is being requested by the Owner to meet the compliance requirements has the right and discretion to release their specific energy use data to the Owner.

I, the undersigned, do hereby authorize Roseville Electric Utility to release and deliver the historic energy use data, for the utility service accounts listed below, to the Owner of the associated Building(s), as required for participation in the Building Energy Use Data and Public Disclosure Program. This data release consent form will remain active in perpetuity until withdrawn in writing by myself, my designee or any new tenant of the associated property or facility.
