TERMS & CONDITIONS

- Purchases and Installs must be for **residences receiving electricity from Roseville Electric Utility** in order to be eligible for rebates.
- Applications are processed on a **first-come, first served** basis until funds are depleted or the program is closed.
- Roseville Electric Utility expressly reserves the **right to modify, amend, or terminate** Roseville Electric Rebate Programs, in whole or in part, at any time and for any reason without prior notice.
- I have **read and understand** the program requirements set forth for this program on its webpage and or application process and agree to abide by these requirements. I have attached the required documentation for the program under which I am applying. I certify that the information provided on this application and associated required documentation is true and correct to the best of my knowledge.
- Incomplete applications will be rejected**, applications must include all required documents.
- I certify that Roseville Electric Utility's **rebate influenced my purchase** of this product or my purchase of a higher efficiency or more climate friendly product than I otherwise would have purchased.
- Application must be submitted or postmarked no later than **90 days from purchase or installation** date.
- Customers may be eligible for **additional rebates** if there is a **change in residence**.
- Rebates may not exceed** each program's stated rebate limits or total cost of your project or purchase including any additional incentives received by other entities.
- Rebated product must be **purchased new**, used vehicles rebates excluded.
- Products are to be **installed at the residence applying** for this rebate and must not be purchased for resale.
- With the exception of vehicles, products that have been **resold, rebuilt, rented, leased, exchanged, won as a prize** or have had new parts installed into existing products are **not eligible** for rebate.
- Rebates for home appliances and thermostats are permitted for **retrofit projects** only.
- I certify that product(s) have been **installed in accordance with all applicable federal, state, and local laws, building codes, manufacturer's specifications, and permitting requirements**. If a contractor performed the installation or improvement, the contractor holds the appropriate license for the work performed. Contact City of Roseville's Building Department (916-774-5332) for permit requirements.
- Roseville Electric Utility makes no representations with respect to the quality, safety, performance, energy efficiency, operation, maintenance or use of the products or components selected to meet our rebate programs intent. **Customer, purchaser and or contractor shall indemnify, defend and hold harmless Roseville Electric, it's City Council, agents and employees** against all claims, loss, damage, expense and liability arising out of or in any way connected with this rebate program and caused by the acts, omission, intent or negligence, whether active or passive, and excepting only such loss, damage, or liability as may be caused by the intentional act or sole negligence of Roseville Electric. I agree that the selection, purchase, ownership, maintenance, design, installation, use and operation are my sole responsibility.
- Customer understands that Roseville Electric's review of the project shall not be **construed as confirming or endorsing** the qualifications of the applicant or any person(s) involved with the project, including but not limited to the project installer(s), designer(s), or manufacturer(s); endorsing the project design; or as warranting the economic value, safety, durability, or reliability of the project. The host customer is solely responsible for the project, including the selection of any designer(s), manufacturer(s), or contractor(s), or installer(s).
- Roseville Electric Utility is not responsible for **items lost or delayed in the mail**, nor any remittance delayed.
- As a rebate participant, **I agree to participate in project evaluation surveys** conducted in person, by phone or in writing and to mandatory project inspections by Roseville Electric Utility and/or their designees for installed efficiency measures verification and evaluation. I agree to allowing Roseville Electric to use information regarding the changes of my energy usage pre and post installation to inform studies of rebate product effectiveness.
- If applying for an **Electric Vehicle, or Vehicle charging rebate**, by providing your information through the rebate process, you allow Roseville Electric Utility or a third party vendor to **conduct research** and analysis about your electric vehicle use and user preference.
- As a rebate participant you **agree to receive** Roseville Electric and Roseville Environmental Utilities **marketing communications**.
