Residents meeting certain income criteria may be eligible for a 20% discount on electric service.

Medical Rate Assistance Program

Residents meeting certain income and medical device use criteria may be eligible for a 50% discount on the first 500 kWh and 20% on all other kWh electric usage.

Medical Notification Program

Residents can notify the City of Roseville of the residential use of essential medical support equipment. This program allows the City to comply with the California Public Utility code 10010.

NOTES

- 1) There is a hydroelectric adjustment in effect from July 2024 through June 2025.
- 2) Rate closed October 1, 2018. Surplus energy compensation rates are subject to revision by City Council as energy prices and system requirements change.
- 3) The State of California allows electric utilities to implement a new solar buyback rate once solar exceeds 5% of the utility's system peak. Roseville Electric Utility now exceeds 5% solar. Per the City of Roseville Municipal Code, beginning October 1, 2018 customers will be enrolled in Roseville Solar 2.0. This change will not affect customers who installed solar before October 1, 2018 until 2028. Net Energy Metering customers will continue with net energy metering for up to 20 years (10 minimum) from the date of system interconnection. Surplus energy compensation rates are subject to revision by City Council as energy prices and system requirements change.
