Welcome to the City of Roseville!

Roseville residents are recycling by using one combined trash, organics/food waste, and recycling can. Please place all your food waste and recyclable material such as cardboard, aluminum, plastic and paper, along with your trash, in the black or grey can provided.

Once collected, materials are sorted for recycling. Additionally, the recycling of organic materials from your black or grey can reduces methane generation at the landfill.

We also provide a separate green can for your yard waste.

Services you can use

We offer a number of services you can use to make disposing and recycling easy.

Battery drop-off sites: Need to drop off batteries for disposal? We offer a number of convenient locations for you to get rid of them. Remember: Avoid causing a spark by taping the ends of old batteries with clear tape before disposing of them.

For locations visit: roseville.ca.us/batteries

Door step pick up: Go online to schedule electronic and Household Hazardous Waste materials, including batteries (auto and household), electronics (computers, TVs, cellphones), fluorescent tubes and bulbs, Fats, Oils and Grease, mercury containing items and used motor oil/filter.

Schedule by visiting: roseville.ca.us/doorstep

Move in box pick up: Customers connecting to our service for the first time can take advantage of our move in box pick up program. For a fee, we will come to your home to pick up boxes, packaging material and extra trash generated during your move.

If interested, call us at: (916) 774-5780

Trash and green waste reminders: Never miss a collection day! We offer text, email and phone reminders delivered right to you for weekly trash and green waste services.

Sign up by visiting: roseville.ca.us/trashreminders

Recycling sites: There are several locations to dispose of unwanted cardboard.

For locations visit: roseville.ca.us/recycling
