

# Stormwater Maintenance Plan

*This Stormwater Maintenance Plan shall state the designated stormwater treatments BMP's (Best Management Practices) utilized to comply with local, state, and federal stormwater regulations of the site development as specified and approved in the improvement plan documents. Recommended maintenance schedules and specific inspection checklists for annual maintenance for these BMPs are to be included. The plan also states the contact initially responsible for coordinating this maintenance.*

## Annual Stormwater Quality Maintenance Permit (SWMP)

*This Stormwater Maintenance Plan shall be followed in preparing the City of Roseville Stormwater Quality Maintenance Permit (SWQMP) renewal documents submitted annually by June 15th. The SWQMP certifies that all permitted stormwater treatment BMPs have been maintained for the current fiscal year and the site is in compliance with Roseville's Municipal Code (RMC). More details available at: <https://www.roseville.ca.us/cms/One.aspx?portalId=7964922&pageId=8763209>*

## Stormwater Maintenance Agreement

Revised 2021

*This completed Stormwater Maintenance Plan shall be provided to the City of Roseville as Exhibit C of the Stormwater Maintenance Agreement.*
