NOTICE: Pre-Qualification for Construction of Park, Recreation & Facilities for 2026

To Whom It May Concern:

General Information

Roseville is an incorporated city with a population of over 150,000 residents, located on Interstate 80, approximately 15 miles northeast of Sacramento, California and continues to grow. At build out, the parks system would include over 140 parks.

Notice

Notice is hereby given that the City of Roseville, Parks, Recreation & Libraries Department is hereby pre-qualifying all bidders for the park, recreation & libraries construction of, new and rehabilitation, projects. For an example list of potential projects, see www.roseville.ca.us/parksintheworks

After the pre-qualification process has been completed, the City will issue a Notice to Contractors for each of these projects to pre-qualified Contractors. It is mandatory that all Primary Contractors who intend to submit a bid(s) for any of these projects shall fully complete the pre-qualification questionnaire, provide **all** materials requested herein, and be approved by the City of Roseville to be on the final qualified bidders' list. **Subcontractors of any trade are not required to be pre-qualified.**

Please note the following:

- The process includes three parts. Contractors must qualify for all items noted in Part I including financial solvency, and receive a minimum rating score in each of the following:
 - Organizational Structure, History
 - Safety
 - Park Experience within the last three (3) years
 - Interview with Past Project Contacts (Randomly chosen)
- If a company is a certified Small Business Enterprise, Minority Business Enterprise or Women-owned Business Enterprise, a financial statement is not required, however, a copy of the qualifying certificate and a notation in the submittal as to the business status **must** be included and noted.
- All contractors must register with the Department of Industrial Relations (DIR) in order to work on public works projects. Contractors submitting for this pre-qualification must attach a copy of the DIR registration as verification of compliance.
- No bid will be accepted from a Contractor that has failed to comply with these requirements.

Answers to questions contained in the attached questionnaire, information about current bonding capacity, notarized statement from surety, and the most recent reviewed or audited financial statements, with accompanying notes and supplemental information, are required. **Information provided in the questionnaire related to project experience shall be specific to park and recreation facility construction projects.** The City of Roseville will use these documents as the basis of rating Contractors in respect to the size and scope of contracts upon which each Contractor qualified to bid. The City of Roseville reserves the right to check other sources available. The City of Roseville's decision will be based on objective evaluation criteria.

While it is the intent of the pre-qualification questionnaire and documents required therewith to assist the City of Roseville in determining bidder responsibility prior to the submission of bids and to aid the City of Roseville in selecting the lowest responsible bidder, neither the fact of pre-qualification, nor any pre-qualification rating will preclude the City of Roseville from a post-bid consideration and determination of whether a bidder has the quality, fitness, capacity and experience to satisfactorily perform the proposed work, and has demonstrated the requisite trustworthiness.

A Contractor may be found not pre-qualified for bidding on a specific park contract to be let by the City of Roseville, or on all park construction contracts to be let by the City of Roseville, until the Contractor meets the City of Roseville's requirements. In addition, a Contractor may be found not pre-qualified for either:

- 1) Omission of requested information,
- 2) A determination of a risky or questionable financial solvency status; or
- 3) Falsification of information.

Contractor Registration: Effective March 1, 2015, no contractor may be listed on a bid proposal for a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. Effective April 1, 2015, no contractor may work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

City of Roseville Reservation of Rights

The City of Roseville reserves the right to adjust, increase, limit, suspend or rescind the pre-qualification rating based on subsequently learned information. Contractors who are thereafter disqualified will be notified and given an opportunity for a hearing consistent with the hearing procedures described for appealing a pre-qualification rating.

The City of Roseville reserves the right to waive minor irregularities and omissions in the information contained in the pre-qualification application submitted, to make all final determinations, and to determine at any time that the pre-qualification procedures will not be applied to a specific future park project.

The City of Roseville will refuse to grant pre-qualification where the requested information and materials are not provided or not provided by the due date noted below. There is no appeal from a finding that a Contractor is not pre-qualified because of an incomplete or late application, but reapplication for a later project is permitted. The closing time for all bids will not be changed to accommodate supplemental or incomplete submissions, or late submissions.

The City of Roseville may elect to randomly interview selected references from at least two (2) completed park projects. The City of Roseville will conduct those interviews. No action on the Contractor's part is necessary.

The City of Roseville cannot guarantee that all projects listed will be constructed this calendar year.

Submittal Due Date and Address

The deadline to submit a pre-qualification package is 3:00 p.m., **December 1, 2025**.

Pre-qualification packages will be accepted only by electronic mail submission to the City Clerk's Office at cityclerkroseville@roseville.ca.us. When submitting via electronic mail, include the title "PARKS PRE-QUALIFICATIONS SUBMITTAL" in the subject line of the email.

All submittals must be sent to the City Clerk's Office via electronic mail by the specified date and time. Email submissions are limited to 25 megabytes. Faxed submissions will not be accepted.

The City is not responsible for misdelivered pre-qualification packages, and the submitter is strictly liable for its chosen method of delivery. Contractors who submit a complete pre-qualification package will be notified of their qualification status between fifteen (15) and twenty (20) business days after submission deadline of the information. Reviews will begin the first business day after the submission deadline.

Public Records

The pre-qualification packages (questionnaire answers and financial statements) submitted by Contractors are not public record and are not open to public inspection. All information will be kept confidential to the extent permitted by law. However, the contents may be disclosed to third parties for purposes of verification, or investigation of substantial allegations, or in the appeal hearing. State law requires that the names of contractors applying for pre-qualification status shall be public record subject to disclosure, and the first page of the questionnaire will be used for that purpose.

Financial Solvency

In lieu of submitting financial statements, the City will conduct credit checks through a third party (one of the top three credit rating agencies). A score of **650** or less will be subject to additional review and may be grounds for disqualification. Submission of the questionnaire is an acknowledgement that a credit report of the company's financial standing will be obtained. **Therefore, financial statements submitted as a part of this questionnaire are not required.**

Execution of Questionnaire

Each questionnaire must be signed under penalty of perjury in the manner designated at the end of the form, by an individual who has the legal authority to bind the Contractor on whose behalf that person is signing. If any information provided by a Contractor becomes inaccurate, the Contractor must immediately notify the City of Roseville and provide updated accurate information in writing, under penalty of perjury.

Essential qualifications (Part I): all requirements must be met before Parts II and III are reviewed. See Page 1 for more information. It is important that all questions be fully answered and any back-up documentation included as noted in each question.

Each Section has a minimum rating score and all minimum ratings must be met or exceeded in order to be pre-qualified.

Appeals Process

Where a timely and completed application results in a rating below that necessary to pre-qualify, an appeal can be requested. There is no appeal from a finding that a Contractor is not pre-qualified because of an incomplete or late application. A Contractor may appeal the City of Roseville's decision with respect to its request for pre-qualification, and request a hearing, by giving written notice of appeal to the Parks, Recreation & Libraries Director, along with a complete written description of all factual and legal bases for the appeal, no later than ten (10) business days after the date of the written notice of its qualification status from the City. Appeals should be delivered to 316 Vernon Street Suite 400 Roseville, CA 95678 Attn: Parks, Recreation & Libraries Director. Unless a Contractor files a timely appeal, the Contractor waives any and all rights to challenge the qualification decision of the City of Roseville, whether by administrative process, judicial process or any other legal process or proceeding.

If the Contractor gives the required notice of appeal and requests a hearing, the hearing shall be conducted so that it is concluded no later than ten (10) business days after the City of Roseville's receipt of the notice of appeal. The hearing shall be an informal process conducted by a panel to whom the City Manager has delegated responsibility to hear such appeals (the "Appeals Panel"). At or prior to the hearing, the Contractor shall be advised of the basis for the City of Roseville's pre-qualification determination. The Contractor will be given the opportunity to present evidence and arguments in opposition to the pre-qualification determination. Within three (3) business days after the conclusion of the hearing, the Appeals Panel will render its decision in writing. It is the intention of the City of Roseville that the date for the submission and opening of bids will not be delayed or postponed to allow for completion of an appeal process.

Cancellation of Process

The City may cancel the prequalification process at any time, even after receiving and scoring applications. If the prequalification process is cancelled, the normal competitive bidding rules will apply. The City assumes no liability for the cost a prospective contractor may have incurred by submitting an

application for prequalification, and the submittal of a prequalification application is a waiver to claim any such cost or losses due to cancellation of the process.

Additional information may be obtained by contacting Tara L. Gee, Park Planning & Development Superintendent at the Roseville Parks, Recreation & Libraries Department at 916-774-5253.

Please be assured that all submittals will be fully and objectively considered. We appreciate your interest in becoming partners with the City of Roseville.

Thank You,

Tara L. Gee
Park Planning & Development Manager
