

Meadow Gate neighbors: Join us to learn more about Dry Creek Greenway East Trail Project

The City of Roseville is hosting a neighborhood open house on Thursday, July 7 at the Maidu Community Center to share information about the Dry Creek Greenway East Trail Project and access from the trail to your neighborhood. Stop by any time between 5 p.m. – 7 p.m. to meet with project team, get project updates and discuss any questions you may have about the trail.

Your input continues to be valuable. Extensive stakeholder, neighborhood and community-wide participation has driven this project since 2008. In addition to providing recreation opportunities, the trail also provides important alternative transportation for cyclists, pedestrians, and other non-motorized traffic.

If you are unable to attend the open house, you may contact us with questions or comments by emailing transportation@roseville.ca.us or calling (916) 774-5293.

Learn more about the project and stay connected:
