My name is Mike Franks, and I have proudly called Roseville home for 33 years. My wife, Jan, and I raised our four children here, and we are now blessed to have grandchildren growing up in the same community.

Over the past 33 years, I have had the privilege of serving our community by coaching youth sports, serving as Treasurer for Roseville Pony Baseball, participating on the Woodcreek High School Site Council, serving on my HOA board, and providing leadership service in my church. These experiences have deepened my appreciation for our wonderful city.

I recently retired after a career leading sales and business development for medical products and services companies. I earned a B.S. in Finance from BYU and an MBA from UC Davis. I was also a member of BYU's national championship football team.

I enjoy golfing, skiing, and watching my grandchildren participate in the same sports and activities that my children enjoyed while growing up in Roseville.

As Roseville continues to grow, I believe growth must be thoughtful, fiscally responsible, and focused on preserving our safe neighborhoods and quality of life. I would be honored to earn your trust and serve on the Roseville City Council.

I submit this Candidate Statement of Qualifications for inclusion in the county voter information guide to be mailed to the registered voters of my district. I understand this statement will be printed as submitted and that changes to content are not permitted after the statement has been filed. However, I do have the option of withdrawing the statement during the period for filing nomination papers and until 5 PM of the next working day after the close of the nomination period. I understand formatting is at the discretion of the county voter information guide size, rules, and constraints.
